Sculpture trail organiser asks public to vote for funding bid

By FRANCESCA EVANS
francesca@pemedia.co.uk

THE organiser of the ArtsFest Sculpture Trail in Lyme Regis is asking for the public to help secure up to £25,000 in funding for a continued public art presence in the town.

John Calder, curator of this year's sculpture trail – which saw installations appear across the town throughout summer – has applied to the Aviva Community Fund for the grant, but the public need to place their votes to ensure the project is supported.

If successful, it is hoped that a continued public art presence will be created in Lyme Regis, building on the experience gained from the past two sculpture trails that were held in conjunction with the annual ArtsFest, and creating an out-of-season attraction for both residents and visitors.

The project has already received 855 votes and Mr Calder has been backed by the town council, Town Mill Arts and LymeForward.

Funding would be spent on hiring 12 of the "most worthy and robust" sculptures from this year's trail for a further 12 months at a total cost of £9,705.

A further £13,800 would be spent on creating a bronze replica of one of the most popular pieces from this year's trail, "Hareman" by Clare Trenchard, which appeared in Langmoor Gardens, as this proved not robust enough as a resin cast work.

It is then hoped to establish a commissioning programme for new work. The grant application says that this element of the project required further development and a budget of £1,200 would be used to work on this for future years.

Mr Calder commented: "The 2016 ArtsFest Sculpture Trail has demonstrated that there could be a place for public art in Lyme Regis all the time. It can provide benefits to the residents and it can stimulate interest in our visitors and even attract new visitors in the off-peak season."

■ IF funding is approved, some of the more popular sculptures, such as 'Trapeze', will remain in the gardens

Mr Calder explained that the curator of the project and the landowner would collaborate in the selection of the work.

"It would also be important to see the public art offer changing over time, thus retaining an element of surprise and novelty," he added.

60 SECOND INTERVIEW

SCOUT leader Karen Yelland was born in Cheltenham and travelled and lived abroad as a child as her father was in the Armed Forces.

Before moving to Lyme Regis, she lived in Bristol where she met husband Paul, and they now have two sons who have just left the Woodroffe School.

Karen is a Beaver and Scout leader with the 1st Lym Valley Scouts, based in Uplyme, and has recently received her 10 year service award and the Chief Scouts Commendation Award.

Karen is also a staff nurse at Dorset County Hospital in Dorchester, working in the cardiology department.

● WHAT brought you to Lyme Regis?

We came to Lyme Regis 2006, so have been here for 10 years now. We came as we wanted a change for our children and used to come down here for our holidays and stay at Haye Farm and Monkton Wylde. Paul's father used to live in Halstock and they used to have a caravan at Freshwater beach. We loved it here and took a chance to move away from family and friends and find new jobs.

● HOW did you get involved in Scouting?

I have been in Scouting for most of my life. My father was into Scouting leader training and I went to my first camp at a few months old when we lived in Cyprus.

When we lived in Germany we took part in lots of international camps with Scouts from Europe and USA. My mother was Akela of Cubs and, when I was old enough at 18, I became a leader.

When I came to Lyme Regis I joined 1st Lym Valley Scout Group as a Beaver leader. Beaver Scouts are the youngest section of Scouts; they are girls and boys aged six to eight. They are such fun and it means you can have a good, fun time as well. I am also a Scout leader for ages 10 to 14 and do more adventurous activities and camps.

● WHY would you encourage children to get involved with Scouts?

I would encourage children and adults to join Scouting as we believe Scouting changes lives, which is why we want every young person in the UK to have the opportunity to be involved.

Scouts helps children and young adults reach their full potential. Scouts develop skills including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness and commitment. We help young people to get jobs, save lives and even change the world.

Today we have 457,000 youth members supported by 113,000 volunteers. Leaders are not paid they are volunteers and give up a lot of time as they have to have training in safeguarding, first aid and how to provide a balanced programme for the children.

● WHAT kind of activities do you do?

We do varied activities within each section of the group from Beavers, Cubs and Scouts. We have lots of hikes which involves map reading – a lost art with the rise of GPS and sat navs. The Scouts do rafting, camping, shooting, archery, climbing, fire lighting and cooking.

We do activities with other groups around East Devon like the parades and camps. We have been to Jamborees in Norfolk and Devon and recently I went with my son Josh to the Essex International Jamboree, where there were over 8,000 scouts from the UK and around the world. There are opportunities to go abroad. Next year some of us are going to Denmark and there is the chance to get selected for the World Jamboree in the USA taking place in 2019.

We like to take part in community events to be a part of the community and encourage the scouts to take care of their environment.

● WHAT do you enjoy about being a Scout leader?

I like being a leader as you can see the young people develop in their confidence and thinking. It is fun and the leaders have just as much fun as the Scouts do. As a leader you learn new skills, meet other like-minded people and have the privilege to help children achieve their potential.

I have seen seen children start as Beavers at the age of six feeling nervous, not confident, insular, and finish Scouts with us at the age of 14 confident, knowledgable, able to do things they thought they would never be able to do. When the scouts leave at 14 there is the opportunity to stay in Scouting by joining Explorer Scouts aged 14 to 18 at Axe Air Explorers. This is the Explorer unit for our group in East Devon and they are based in Beer. Our young leaders are affiliated to this group and join in with their activities and courses.

● TELL us about your recent awards...

I have received two awards recently; one was my 10 year service award and the other was the Chief Scouts Commendation Award for Good Service. This given in respect of not less than five years of good service which stands out. It is regarded as the Chief Scout's recognition of the very real contribution made to the association by the individual concerned.

● HOW did you feel to receive the award?

I was pleasantly surprised to receive this award and it means a lot to me as I strive to give our Scouts the best experience and opportunities I can. I will wear the badge with pride.

● ARE you a member of any other local groups?

I'm a regular churchgoer with my husband at St Michael's and am also learning to ring the bells there. I sing in the festival choir in Uplyme and also take part in a women's morning group sharing thoughts on the Bible, scripture and prayer.

● WHAT do you enjoy doing in your spare time?

I enjoy walking and going out on the kayak (weather permitting). My husband and I have just started sea swimming which is exhilarating though cold at times. I keep chickens and like to be out in the garden.

● WHAT do you like about living in Lyme Regis?

The area around Lyme Regis is awesome. When I start off for work in the morning and the sun is coming up over Portland and Golden Cap, I marvel at what a lovely place I live and how lucky I am to live here. I like Lyme for its busyness in the summer and quieter times in the winter. The people are welcoming and there is a great community spirit with the carnivals and festivals. There is always something going on in Lyme, you can never get bored!

Uplyme residents hand over petitions for better broadband to BT representatives

By FRANCESCA EVANS
francesca@viewnews.co.uk

TWO petitions calling for improved broadband speeds across Uplyme were handed to representatives from BT at a public meeting on Friday.

The meeting was held in Uplyme Village Hall following months of correspondence between dissatisfied residents of Uplyme and BT.

An online petition was launched earlier this year, with more than 100 residents calling for BT to upgrade their line so that they could receive superfast broadband.

Currently, some residents claim they only receive internet speeds of 1 to 2mbps - compared to superfast speeds of 24mbps - which they have said prevents them from working from home and their children from completing their homework.

At the meeting on Friday, chaired by lead campaigner Ed Blundell, petitions from residents of both Uplyme and Harcombe were handed to Paul Coles, BT South West Partnerships Director; Roy Clark, Senior Fibre Delivery Manager for the South West; and Marion Brailey, Senior Operations Manager.

Mr Coles explained that BT invested £2.5billion in providing two thirds of the UK with superfast broadband in 2009. This was invested into areas where it was deemed most financially viable, such as high density areas.

Connecting Devon and Somerset (CDS) was then set up to deliver next generation broadband infrastructure to areas where the market failed to invest, aiming to reach 90 per cent of the population by the end of 2016.

CDS is currently coming to the end of its Phase 1 roll-out, but Uplyme was not included in this. It is not yet known which areas will benefit from Phase 2 of the roll-out.

Mr Blundell commented: "No other organisation can help us. No internet service provider can help us because they have to work with the infrastructure BT provides. We're not covered by CDS or any other programme we are aware of.

"BT has received funding to cover areas not otherwise covered. Why has this not happened here?"

Residents complained that BT had been unable to give a positive or specific answer on when their broadband speeds would be improved.

Mr Coles said that the second phase of the CDS roll-out might pick up Uplyme, or residents could discuss co-investing in infrastructure themselves, adding: "I understand your frustration."

Uplyme resident Rob Lane replied: "I don't think you do understand our frustration. Stepping back from superfast broadband, I'd be happy with regular speeds."

He complained that his internet speed had been halved from 2.5mbps since BT had installed infrastructure for superfast broadband elsewhere.

"You're responsible for degrading my service because you didn't have a contingency plan in place," he argued.

Ian Thomas, East Devon district councillor for the Trinity ward, which includes Uplyme, offered to take residents' post codes and check if they were likely to be included in Phase 2 of the CDS roll-out, and hand them to BT to carry out a survey.

He also suggested that residents may be able to benefit from the CDS voucher scheme. More information on this can be found on the website www.connectingdevonandsomerset.co.uk

Sailing club stalwart presented with honorary life membership

LYME Regis Sailing Club held its annual general meeting on Saturday, attended by 50 members.

Commodore Jerry Rook, elected for a third year, presented Past Commodore and long-standing club member David Beer with an honorary life membership (pictured), the biggest accolade the club can award.

David has been commodore seven times, seeing the club through the move to its present premises, chairing major events including the Larks Nationals this year, and representing the club around the world as a Laser sailor.

He continues to offer expertise in several areas and work for the club and is well known to other harbour users.

David will be chairing the Fireball European Championships for the sailing club in August 2017.

The club continues to expand its youth training offer and has had a successful racing season.

Public support needed to win funding for public art in Lyme

■ **CONTINUED FROM FRONT PAGE**

whether to give their backing to the project, town councillors expressed concerns about some of the installations which featured in this year's sculpture trail, most notably the controversial "Wrapt" at Leper's Well, but Mr Calder said the project would focus more on the installations in Langmoor and Lister Gardens, which the council agreed to support in principle.

Some of the more popular sculptures which would be hired for a further 12 months include "Ripple" by Michael Fairfax, "Speaking Volumes" by David Parker, "Skateboarder" by Greta Berlin, "Core Sample Pillar" by Isla Chaney, "Trapeze" by Clare Trenchard, and "Obsession" by Pete Hackett, as well as the bronze cast of "Hareman".

"From the general reaction of the public, it is clear that these sculptures have a broad appeal," Mr Calder added.

"We can only be awarded the necessary funds if we place votes in substantial numbers and, later this month, we will know for sure whether the votes were sufficient to place us amongst the finalists.

"If the project does become a finalist, it will be judged alongside others before being awarded any funds."

To vote for the project – "A Continuous Public Art Presence in Lyme Regis" – visit the website www.avivacommunityfund.co.uk/voting/project/view/16-1576 and register to place your votes. You will have up to 10 votes which you are able to use all on one project.

Voting closes at 12noon on Friday, November 18th and 84 finalists from the 301 projects will be announced on November 22nd. If successful, the sculpture project will go forward to a panel of independent judges who will select the worthy winners and their decisions will be announced on January 10th 2017.

To place your vote for the sculpture project, visit www.avivacommunityfund.co.uk/voting/project/view/16-1576

PCC takes leave of absence as wife seriously ill

DEPUTY Police and Crime Commissioner (PCC) for Dorset, Colin Pipe, is temporarily filling the shoes of PCC Martyn Underhill, who has had to take a leave of absence as his wife is seriously ill.

On Wednesday, October 5th, Deborah Underhill, the Police and Crime Commissioner's wife, was taken to Southampton General Hospital where she has been receiving treatment for a subarachnoid haemorrhage.

Mr Underhill remains in post, but day-to-day decisions will be made by Mr Pipe until further notice.

Mr Underhill said: "My wife's collapse in Wimborne Square was completely unexpected, and I would like to thank the off-duty nurse who rushed to help, the South Western Ambulance crew who arrived within three minutes, and the superb team at the Wessex Neurological Unit. These professionals literally saved her life.

"My wife's doctors have advised me that it is vital that I spend time supporting and helping her recovery.

"I have absolute confidence in Colin to act on my behalf and I thank Councillor Adams and the members of Dorset Police and Crime Panel for their support during a very difficult time."

Mr Pipe added: "I am saddened by this news and my thoughts are with Deborah and Martyn at this time.

"I would like to reassure the public that, in relation to the work of the office, it is business as usual and we are continuing our work to ensure Dorset residents receive an efficient and effective police service."

Councillor John Adams, chairman of the Dorset Police and Crime Panel, commented: "The Dorset Police and Crime Panel has the responsibility for appointing an acting PCC and are fully supportive of this interim arrangement.

"As recently as June, the panel had the opportunity to consider and question Colin on his credentials and we are unanimous in our support.

"The Police and Crime Panel covey their sincere wishes to Deborah and Martyn in this difficult time, and their hopes for a speedy recovery."

Proposed recycling bin charges 'unfair'

ANTI-litter campaigners have criticised proposals to charge for kerbside recycling bins as "unfair and impractical."

The Dorset Waste Partnership (DWP) is considering charging for the first time to provide bins to new customers, and to charge for those whose bins are damaged, stolen on lost.

Felicity McLaren from the Stop the Drop organisation, which campaigns against littering, commented: "My immediate reaction was that this proposed charge on householders is quite unfair and impractical. I can see new householders simply refusing to have a bin, and surely the DWP wouldn't have the legal right to insist they do when a charge is involved?"

Ms McLaren said the proposed charge of £55 for the bins was "actually quite a lot for a household to find".

"As for the charge for replacing lost or damaged bins, what would be the easiest thing for someone to do who needs a replacement? Unless you burn your property address into the plastic your bin could easily find its way into someone else's garden and you would have no idea where it went," she added.

Ms McLaren pointed out that, apart from damaging a bin by running over it in a car or someone setting fire to it, as has happened this week in Weymouth, the most likely way damage could be caused to a bin was by refuse collectors.

"How do you lose a 240 litre bin unless someone else steals it? In which case, why should you pay for replacement?"

The Dorset Waste Partnership says it is considering the new charges to help meet the cost of delivering bins to new customers. The organisation claim that each year around 900 new properties are built in Dorset – costing £46,000 to purchase and deliver bins.

Over the same period around 9,000 bins across the county are damaged, or lost, and need replacing at a cost of £159,000.

The organisation is running a public consultation on the proposals, which will continue until November 18th with a decision being made in the New Year whether or not to go ahead with the new charges.

Chairman of the DWP committee, Councillor Tony Alford, said: "As well as maintaining a high level of service to the public, we regularly review our costs to identify areas where savings can be made.

"We want to hear what people think of the suggestions by completing our online survey."

The public consultation can be found online at the website www.dorsetforyou.gov.uk/new-containers-consultation

First Lyme Slime Festival spooktacular success

ALMOST 150 runners of all ages took part in the first Lyme Slime Halloween-theme fun run on Saturday.

The event was held on Marine Parade and saw runners in fancy dress complete a 2k course along the seafront, with some spooky stops along the way.

Runners took part in a warm-up led by one of the instructors from B! Health & Fitness, which saw them practising their best growl as well as taking part in some simple exercises.

Stalls and craft activities were also held on the seafront throughout the day, with the Hub Toddlers and Lyme Regis Christmas Lights Committee raising funds.

Event director, Sally Raynes from organisers Wacky Nation, said: "Despite being the first ever Halloween Lyme Slime Festival and 2K fun run, the event was a frightening success for everyone involved.

By FRANCESCA EVANS
francesca@viewnews.co.uk

"We were really impressed with the effort everyone went to with their fancy dress and the run itself had incredible support from so many community volunteers including the Lyme Regis Rotary Club marshals and B! Health & Fitness, who helped create a genuinely spooky atmosphere.

"The Halloween Lyme Slime Festival will be back in 2017, even bigger and a lot scarier!"

Lyme crew fights Exeter fire

FIREFIGHTERS from Lyme Regis were among the crews to tackle the serious fire in Exeter over the weekend, which saw the historic Royal Clarence Hotel destroyed.

The crew from Lyme were called to the scene in Cathedral Green, Exeter, as flames took hold of the 18th century hotel - thought to be the oldest in England - after the fire started in a gallery next door on Friday morning.

More than 100 firefighters from across the region worked at the scene for more than three days.

Junior triathlon team celebrates end of another successful season

IT has been another busy and successful year for the CycleLife Axminster Junior Triathlon Team, most members of which are from Lyme Regis, with some of the team competing in the South West Championship series and the British National Super Series.

Junior athlete Florence Swan finished the season in superb form to take the overall junior championship for the 17-19yrs girls in the South West Series, and a very creditable 31st in the National Super Series despite missing a key final race.

In the boys' youth category, Simon Davis clinched the overall prize in the 15-16yrs age group in his first season, whilst Ben Greenslade secured fifth place.

Phoebe Clark competed consistently throughout the year finishing fifth in 12-13yrs girls category, whilst team mate Abi Greenslade secured seventh in the very competitive Tristar 2, 11-12yrs age group.

Alice Clark also really improved over the season finishing third in the Tristar 1, 9-10 years.

Team Coach Malcolm Greenslade said: "The South West Region is one of the most competitive regions in the country and the races are always very well supported with almost 160 young athletes taking part therefore to finish so well placed is a real achievement."

As this triathlon season draws to a close the youngsters already have their sights firmly placed on 2017 with training continuing over the winter and some appearances in local running events and swimming galas.

The team are very thankful for the support they have received from local bicycle retailer CycleLife, in Axminster, which has provided invaluable service assistance throughout the season.

Ian Bruton from CycleLife said: "It's so satisfying helping the young athletes achieve success, they have even inspired me to have a go myself next year."

Being true

SOME people label me as "different"! I am gay. That's it, no crime committed, I just don't fancy guys!

Labelling someone in this day and age is unbelievable, I know, but it still happens. Thankfully, it's quite rare for me to be subjected to any form of homophobia, but I'm well aware it exists. For those who come across this disgusting behaviour, it can be soul destroying and sometimes even life threatening.

I am more than comfortable in my own skin, and I'm grateful that my family and friends are very supportive.

I wanted to talk about this today, as I feel very strongly about the subject and I feel, especially in this part of the country, the whole issue can still be seen as quite taboo. I know there are so many people who are struggling with voicing who they really are and even admitting it to themselves can be a real problem.

We are all human, regardless of gender, skin colour, sexual orientation, physicality, the list is endless, but ultimately, we are all the same. We all walk the same Earth, we breathe the same air, and we all go about our daily lives in the same manner.

No one should be seen as superior, we are all equal. Everyone deserves equality. Everyone is unique. We all have different appearances, voices, interests, attitudes and so on. We've learned to accept and appreciate people for their differences in skin colour and gender and now we'll learn to accept people for their sexuality.

There are huge positives about being a member of the LGBT+ community, but at times, it can still be extremely hard. Some people have experienced prejudice in the work place, have had their friends turn their back on them, and even been disowned by their parents.

It makes me sick that people around the world face violence and inequality, sometimes torture, even execution, just because of who they love, how they look, or who they are. Sexual orientation and gender identity are integral aspects of ourselves and should never lead to discrimination or abuse.

But let's try not to focus on the negatives. You need to be true to yourself, and others. It's far better being your whole self, and living life however you want, rather than be in hiding, scared of other people's judgements. You may be surprised, some people may already know, some may be indifferent, and some may even welcome the fact that you have spoken out. Whatever the outcome, there is a huge supportive network available to you, either with local groups or online. You just need to ask!

Personally, I think that being part of the LGBT+ community is the most wonderful thing. Oh, and also, I am proud of who I am. At times it can be quite testing, but I wouldn't change it for anything.

COUNTDOWN TO LYME'S BIG FESTIVE EVENT

Princesses return for the Christmas Pudding Race

WITH four weeks to go, plans for the fourth Great Lyme Regis Christmas Pudding Race are in overdrive as the organisers set out to make it the most successful ever.

The fourth Christmas Pudding Race, organised to raise money for Cancer Research UK, takes place on the seafront on Saturday, December 3rd, starting at 12noon.

Now officially declared one of the UK's "most brilliant but bonkers" events, the pudding race has raised around £12,000 for the cancer charity in recent years.

The event relies on sponsorship to cover the costs of staging the race and ancillary activities, which cost around £2,000 to stage.

The organising committee are now seeking donations from local businesses to cover these costs so that everything that is raised on the day goes to the charity.

The Lyme Regis branch of Cancer Research UK has confirmed that George Symonds, owner of the Amusement Arcade on Marine Parade, has agreed to be the main sponsor, but further donations are still being sought.

Branch chairman and race organiser Philip Evans commented: "We are very grateful to George for his continued generosity and we hope that the many traders who have supported us in the past, with donations ranging from £25 to £250, will follow suit.

"By raising the cost up front it means that every penny raised on the day goes to finding a cure for cancer and it also means that if the event is washed out by inclement weather, no losses are incurred."

All sponsors are recognised on the Christmas Pudding Race website - **www.xmaspudracelymeregis.co.uk** - and get frequent mentions over the public address system during the event, which in the past has attracted hundreds of spectators.

Anyone wishing to make a contribution should contact Mr Evans on 07796 951 991.

This year's main event will be proceeded by the "Chase The Pud Race" along the seafront in which runners of all ages, dressed in a Santa Claus outfit, have to chase a Christmas Pudding. Each competitor gets a medal for taking part and the first one to catch the pudding receives a £25 cash prize. The race starts at 12noon and Father Christmas costumes can be purchased for adults (£3) and children (£2) on the day.

It is hoped to have at least 10 teams in the main Christmas Pudding Race, which consists of a relay race for teams of six dressed in Christmas-themed costumes who have to complete a number of festive-related activities whilst carrying a Christmas pudding on which they have to build a Mr Potato Head, hence it being awarded the "brilliant but bonkers" accolade.

COMING TO TOWN: Princesses Elsa and Anna return as special guests at The Great Lyme Regis Christmas Pudding Race on Saturday, December 3rd. They are pictured at the 2014 event with Frozen fan Millie Hutchings

Other activities on the day will include a Santa's Grotto with Father Christmas arriving by a reindeer-drawn sleigh, Christmas singers, a dance warm-up session for the teams and spectators and a rolling skating Christmas pudding.

Frozen Princesses Elsa and Anna will also be making a return appearance to the event, where they will greet and have photos taken with children.

The event will be officially opened by Paralympic double medalist and former Lyme resident Paul Blake.

No curry night this year

CANCER Research Lyme Regis have announced there will be not be hosting their usual curry night to tie in with the town's bonfire and fireworks display this months.

Chairman Philip Evans said: "We had built up a good following for this annual event which usually raised £500.

"But we were late in booking the Lister Room this year and could not find an alternative venue.

"But the event will return next year as we have already booked the Lister Room for the 2017 fireworks night."

The funding dilemma facing the Marine

Lyme Matters

by Philip Evans

FEELINGS are running high over the future of the Marine Theatre in Lyme Regis. It was ever thus.

Throughout all the years I have been reporting on local events in Lyme, the Marine has been a cause of great debate, argument and controversy.

And I can't see a time in the future when it will be any different.

There can't be many towns as small as Lyme which have a theatre which presents entertainment 12 months of the year. Indeed, professional theatres in many bigger places have struggled to survive and many have been forced to close their doors.

Following reports of council discussion in this paper, three passionate supporters of the theatre jumped to its defence in our letters column last week. We published their views in full and carried a front page story to redress the balance.

Predictably, the inference of some of their comments is that we are stirring the proverbial. The truth is that it was an accurate record of the council debate on how the theatre operates following further requests for public money.

They called for the "theatre bashing" to stop after the council decided there were "fundamental issues" with the way the theatre was run.

One of the letter writers came into our office and was very animated about the whole issue, aiming a good deal of criticism at this newspaper.

This column has recognised the unique place the Marine Theatre has in the community life of Lyme. It is a fact that without volunteer support the Marine would have closed down long ago.

But what sets the Marine aside from other worthy community assets is the amount of public funding it has received: around £750,000 in recent years. No other body has been given so much financial support from the council.

And whilst that public funding continues, as it must if the Marine is to survive, its operation will always be open to examination and debate.

Until such time as the Marine can find alternative funding, difficult if not impossible in this current economic climate, those who work so hard to keep it alive will always be challenged - and rightly so.

Down the years council made a pig's ear of running the theatre and successive council's failed dismally to invest in its infrastructure, which was allowed to deteriorate over a long time with the occasional patching up job. The roof should have been replaced years ago. That neglect has impacted greatly on various managements who have tried to make a success of the place.

You have to go back to the 1960s when London impresario Bob Alexander ran the Big Beat nights at the Marine. He made a fortune but the success of bringing some of the biggest names in pop music to Lyme Regis was marred by the bussing in of hundreds of revellers whose behaviour left much to be desired.

After Bob Alexander the Marine experienced a very fallow period, followed by a short period of higher profile when Colyford publican John Rodd took on the responsibility.

During my brief period on the council, back in the 1980s, I tried to breathe new life back into the Marine but it was an uphill struggle and the revival of discos led to more trouble in the streets, including a stabbing incident.

Much later the people of Lyme were asked to take part in a referendum on what they thought should happen to the Marine. They came down heavily in favour of the premises being handed over to a trust to run.

Had that not been the case, I believe the Marine would have closed many years ago.

The trust decided the best way to run the theatre was to employ a professional to front the operation, backed by volunteers. It would seem to be the only way but not all the managers/artistic directors have achieved much success and they don't usually stay too long.

The current incumbent, Clemmie Reynolds, has won much respect for her efforts in presenting a varied programme of entertainment in the short period she has been in the town.

However, in these days of instant entertainment that can be transmitted into your home via numerous and varied devices, the interest in live performance is not what it was.

When the council decided to support the theatre to the tune of around £30,000 a year, it was never the intention that it would be a permanent solution. Hopes were expressed in the council chamber that other funding could be found coupled with the expectation that the programme of events would eventually pay for its upkeep.

The issue of the Marine's future was clouded by the unfortunate spat over the advertising rotunda which did the theatre very little good in the end. If rumours are correct, the theatre is now looking for further financial support from the council and will no doubt get it as I can't imagine councillors will want to take the building back into public control.

Suggestions that the old building could be demolished and replaced by a commercial development to fund a new theatre are, in the eyes of many, pie in the sky.

So what will happen to the much-loved theatre by the sea?

Clearly the council need to get closer to the day-to-day financing of the Marine to satisfy themselves that its money is being well spent.

Those running the theatre have to accept that more transparency and greater accountability is the price they have to pay for public funding - and a future.

I believe the role played by the volunteers is appreciated by the council; those volunteers and wider supporters have to accept that not everyone in the town shares their passion for this marvellous asset so much admired by virtually every professional artist which steps onto its stage.

We also need to remember that without the Marine our own local stage societies would have no home and that would be a great loss to the town.

I rather think the Marine will be around for many years to come. I for one would mourn its loss.

Residents oppose chicken farm plans

By PETER HODGES
peter@viewnews.co.uk

A GROUP of residents in Raymond's Hill have banded together to fight a planning application for a chicken farm close to their homes, which they say would block the communities view of Golden Cap.

Earlier this year, an application for a large free range poultry unit on the same site, between Uplyme and Axminster, was withdrawn. In both cases the applicant has included a "temporary' dwelling adjacent to the industrial units".

The site, south east of Red Lane, is proposed to have access by articulated lorries from the A35, a well-known accident blackspot.

A spokesperson for the opposing residents said: "New entrances will have to be cut into beautiful Devon banks, which protects an abundance of wildlife, not to mention the meadow's wild orchids and other wildflowers.

"Residents, walkers, riders and visitors to this unspoilt area with views of Golden Cap, a visible and stunning local landmark, would pass this horrendous complex situated in an Area of Outstanding Natural Beauty.

"The awful and intolerable ammonia fumes from so many birds would threaten properties a mile away or more."

However, the owner of the land, Gemma Hollis, disputes the claims from the residents, saying the chicken farm will not be industrial nor will it block the view of Golden Cap.

Mrs Hollis said: "In reality it is for one, small poultry shed, I hardly call that an industrial-sized chicken farm.

"I fail to see how this would block anybody's view of Golden Cap. The proposed site is also just yards away from two large cattle sheds which are already there. The application earlier this year was withdrawn simply due to an error in the original application.

"I feel it's worth mentioning that the A35 is already used by articulated lorries daily and also agricultural vehicles, and with our proposal the lorries would equate to less than one per week.

"The proposal for an entrance to the site will see the existing entrance which is right on the junction and make one new entrance in a more suitable place."

The final decision will be made by East Devon District Council and any comments should be emailed to planningeast@eastdevon.gov.uk by November 9th. The planning application reference number is 16/2197/FUL and can be found on the district council website.

Join choir for Remembrance Sunday concert

■ **WELCOMING SINGERS: Lyme Bay Chorale are asking for singers of all abilities to join them**

MEMBERS of Lyme Bay Chorale are inviting singers of all abilities to join them for a performance on Remembrance Sunday.

The performance of Mozart's "Requiem Mass" will be held at St Michael's Parish Church on Sunday, November 13th, with registration for those wanting to take part being held at 11.30am, immediately after the Remembrance Sunday service.

Rehearsals will be held throughout the day and participants are asked to bring their own lunch, but the choir will serve afternoon tea and cakes at 4.15pm.

The day of singing will lead up to a free, informal concert in the church at 5pm, with a retiring collection from the audience.

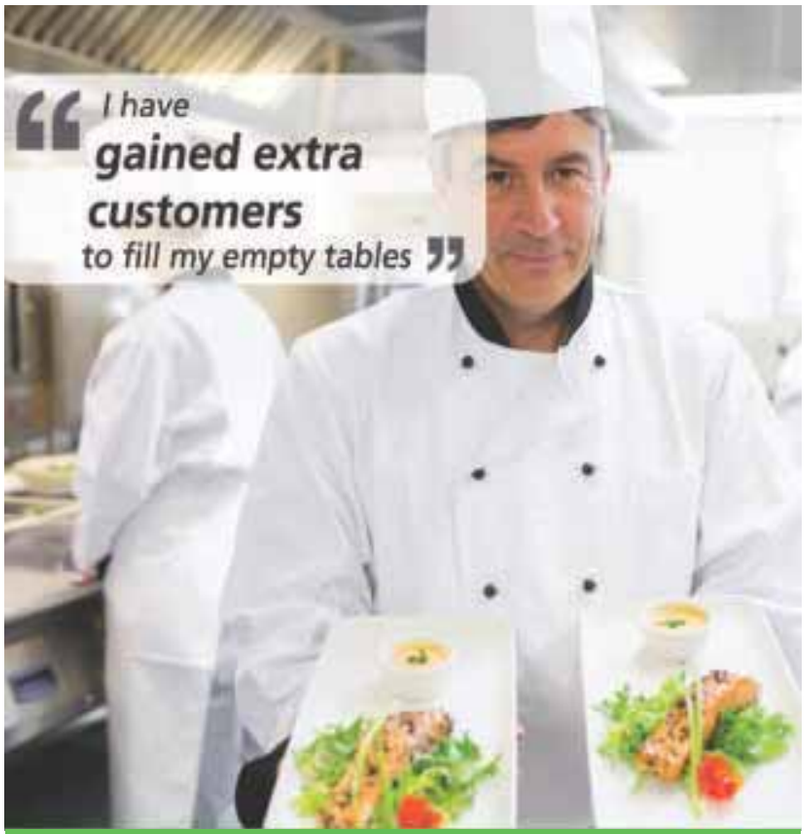

The day will be led by Julie De'Ath Lancaster, who will take everyone through the work and teach them selections, but previous listening to the piece is advisable.

Wolfgang Amadeus Mozart composed this Mass in D Minor (K.626) in Vienna in 1791 and it was left unfinished at the composer's death on December 5th.

A completion dated 1792 by Franz Xaver Sussmayr was delivered to Count Franz von Walsegg, who had anonymously commissioned the piece for a Requiem Mass to commemorate the February 14th anniversary of his wife's death.

Singers are asked to wear black and red in any combination, and a poppy.

Those interested in taking part should contact Sally on sallyburrage53@btinternet.com or phone 01297 444580 to give her advance notice of numbers.

Council receives more than 400 objections to power station plans

By LOTTIE WELCH
lottie@viewnews.co.uk

A PLANNING application to site a power station in Hawkchurch, near Lyme Regis, has received more than 400 objections.

Plans to build a "gas fired energy reserve facility" in land off Stonebarrow Road is currently with planning officers at East Devon District Council and awaiting decision.

Stor Power Ltd. submitted the application, which proposes a small scale energy reserve facility of up to 20 MW to support provision of local power demand.

They report that the proposed development will be predominantly housed within one main engine hall, which could have a maximum footprint of 45.5m x 20.5m. Attached to the hall could be up to 10 chimney stacks, each 13m in height, which residents claim is higher than the church.

Residents have come out in force to object to the proposals - which currently amount to 402 individual objections on the East Devon District Council website – and have branded it "totally inappropriate" and "out of character with the area".

Denise Burton, a resident of Hawkchurch, said: "It has all been so hush-hush and nobody has been able to find out anything really about it. It has been done very underhandedly.

"The farmer [the owner of the field where the facility is going] knew from April that this was going to happen, why weren't we told anything about it when it was considered?

"We had six days to put in our complaint, so the parish council managed to get it extended.

"How they can do that is beyond me, we have been here for 20 years and I don't know how those people could do it. We are their neighbours for goodness sake."

A number of other objections on the EDDC's planning site highlighted that the site is an Area of Outstanding Natural beauty (AONB), the height of the building would be detrimental to the landscape, the amount of noise from the facility that could affect residents, it is inconsistent with the local plan and that the village is already has its fair share of renewable energy sources with solar farms in the area, as well as concerns it will contribute to heavier use of commercial vehicles at Hunters Lodge, a well-known accident black spot.

Jon Antoniou, CEO of STOR Power Ltd, said: "Overall it is concluded hat the proposed development is acceptable in planning terms and meets the governments objectives to ensure that the UK continues to support the transition to a low carbon economy and to have a safe, secure and reliable supply of electricity."

Woman airlifted from beach

A WOMAN was airlifted from Charmouth beach on Saturday, October 29th after falling and injuring her hip.

Coastguards from Lyme Regis and West Bay attended the scene at 1.42pm, as well as the coastguard helicopter, and found the woman lying in the car park near the heritage centre.

The woman was airlifted to Dorchester Rugby Club, where she was then transported by land to Dorset County Hospital.

Wyke coastguard team also assisted with providing a safe landing site for the helicopter.

Lifeboat station looking for two new volunteers

TWO new volunteers are needed to help run the lifeboat station in Lyme Regis.

The vacancies are for deputy launching authorities (DLAs), who are members of the management team of the station and who authorise the launch of the lifeboat when an emergency call comes in.

Lifeboat operations manager Nick Marks is looking for male or female volunteers who live within10 minutes of the harbour.

■ **JOIN THE TEAM: Lifeboat operations manager Nick Marks is looking for new volunteers**

He said: "Ideally, we need people with some maritime experience with an understanding of tides and coastal issues.

"But there's plenty of training, including a week-long course at RNLI headquarters in Poole."

DLAs provide cover four days at a time on a rota. When a request to launch the lifeboat is received by a DLA, he or she is then in charge at the station.

Mr Marks added: "There's a good team spirit at the station and plenty of social events. Obviously we are all volunteers, so instead of being paid we get a free pager for alerts and a free pair of yellow wellies!"

DLAs are regarded as members of the crew and are expected to attend training sessions which are held twice a month.

Anyone interested in joining the crew as a DLA should contact the station by emailing LymeRegis@rnli.org.uk or call 01297 442230 and leave a message or call Nick Marks directly on 07568 187 582.

Scouts on target at The Tunnel

THE 1st Lym Valley Scouts gave their best shot at target shooting during a visit to the The Tunnel Target Sports Centre in Charmouth.

A group of 14 Scouts from the Uplyme-based troop tried their hand at aiming and shooting targets on both the 25m and 35m ranges. For some, it was their first time handling a rifle, and by the end of the evening all of the scouts were able to hit the target with some ability.

The Scouts also held a competition to see who could hit 10 targets using only 10 rounds, with the winner of the competition being announced at the next troop meeting.

Scout leader and trip organiser Dave Wareham said: "It was a pleasure to take Scouts to The Tunnel to do something different. It's all part of our aim to give everyday adventure to every child who joins us."

It is anticipated that the Scouts will make further trips to The Tunnel to complete their Master At Arms badge. Boys and girls aged between 10 and 14 are welcome to join the troop and those interested should email yellandpay@aol.com

Lifeboat called in search for missing man

LYME Regis lifeboat crew was launched at 12.05pm last Wednesday to assist police and coastguards in a search for an elderly man reported missing.

The volunteer lifeboat crew carried out a shoreline search east of Golden Cap, but were stood down after 90 minutes.

This was the 23rd emergency call for the crew so far this year.

Please consider effect of fireworks on animals

AT about 10.30pm on Saturday, October 29th a loud thunder flash sound echoed around Lyme Regis.

We had family and their dog staying with us. They had gone to bed ready for an early start the following morning.

The noise of the firework put their dog in a state of absolute panic. Our dog was the same. Their dog was so distressed, they got dressed, packed and headed on a late night journey back to the New Forest.

Not really surprising as a similar incident had occurred the previous night. Fireworks going off at about 11pm then a very loud thunder flash at about 11.20pm.

Whilst maintaining the tradition of Guy Fawkes night is understandable, irresponsible use of fireworks must mean the time is coming when the sale and use of fireworks should be restricted to organised displays only.

In the meantime, please think about the effect fireworks have on many animals.

The dangers of Marxism

CHRIS Boothroyd writes about Marx (*'Another View', View From Lyme Regis*, October 26th).

The heart of the philosophy is not what he guesses about capitalism, which is little more than a game of ping pong.

Where Marx becomes lethal and destructive is in the kind of totalitarian solutions he advocates.

In any case, these are diluted and imperfect versions of a tighter philosophy of Gillian Rose who is the more accurate extension and development of Hegel.

Photographic club given tips on capturing nature

WELL known local nature photographer Colin Varndell showed gave a presentation to Lyme Bay Photographic Club on "The Art of Capturing Nature".

Colin explained how his aim was to take at least 500 images per month and he always used a tripod to ensure his images were pin sharp.

He explained that he tried to base his pictures on the well-known "rule of thirds", as it was the basis for well balanced and interesting shots.

One of his main tips for successful images was to ensure that there were no blank areas at the edges of his pictures, it being better to bleed the image off all sides of the picture. It was also better to take pictures of trees in landscape mode rather than portrait as this gave a more interesting image.

Colin mentioned several venues where he had taken some very lucrative pictures, such as Bolderwood near Lyndhurst and Lewiston Hill, Broadwindsor.

New members are always welcome at meetings of Lyme Bay Photographic Club. For dates and more information, contact chairman Chris Sellers on 01297 442475 or visit the club's website at www.lymebayphotographicclub.org

Museum's farming exhibition at hit

THE farming community came to the seaside last Saturday and Sunday for Lyme Regis Museum's "Farming in the Lim Valley" exhibition.

Held at the Woodmead Halls while the museum undergoes building work, it attracted more than 230 visitors, mainly from East Devon, South Somerset and West Dorset farming families, together with a number of visitors down for half term.

Museum volunteers Ken Gollop and Graham Davies, who organised the display, were pleased to renew acquaintance with the farming community who gave such help with the original project in 2008. Some returned on the second day for another look with other family members.

As usual with these events, Mr Davies was kept busy at the computer, researching and giving people more information and in return receiving more information for the museum's archive.

The event was staged with the help of the volunteer research team to bring the museum to the public while it is closed for building work.

Upcoming events include the next "Under Shady Tree" nostalgia talk by Mr Gollop, scheduled for Sunday, March 5th 2017 at the Woodmead Halls.

View from the churches

AS we approach the Remembrance arrangements for 2016, I cannot but ponder the fact that armed conflict still troubles our world.

Viewing the reports of the Russian naval task force steaming towards Syria, I was reminded of my days in the RAF Maritime Patrol fleet. Many an hour was spent over the north Atlantic in all weathers refining our skills.

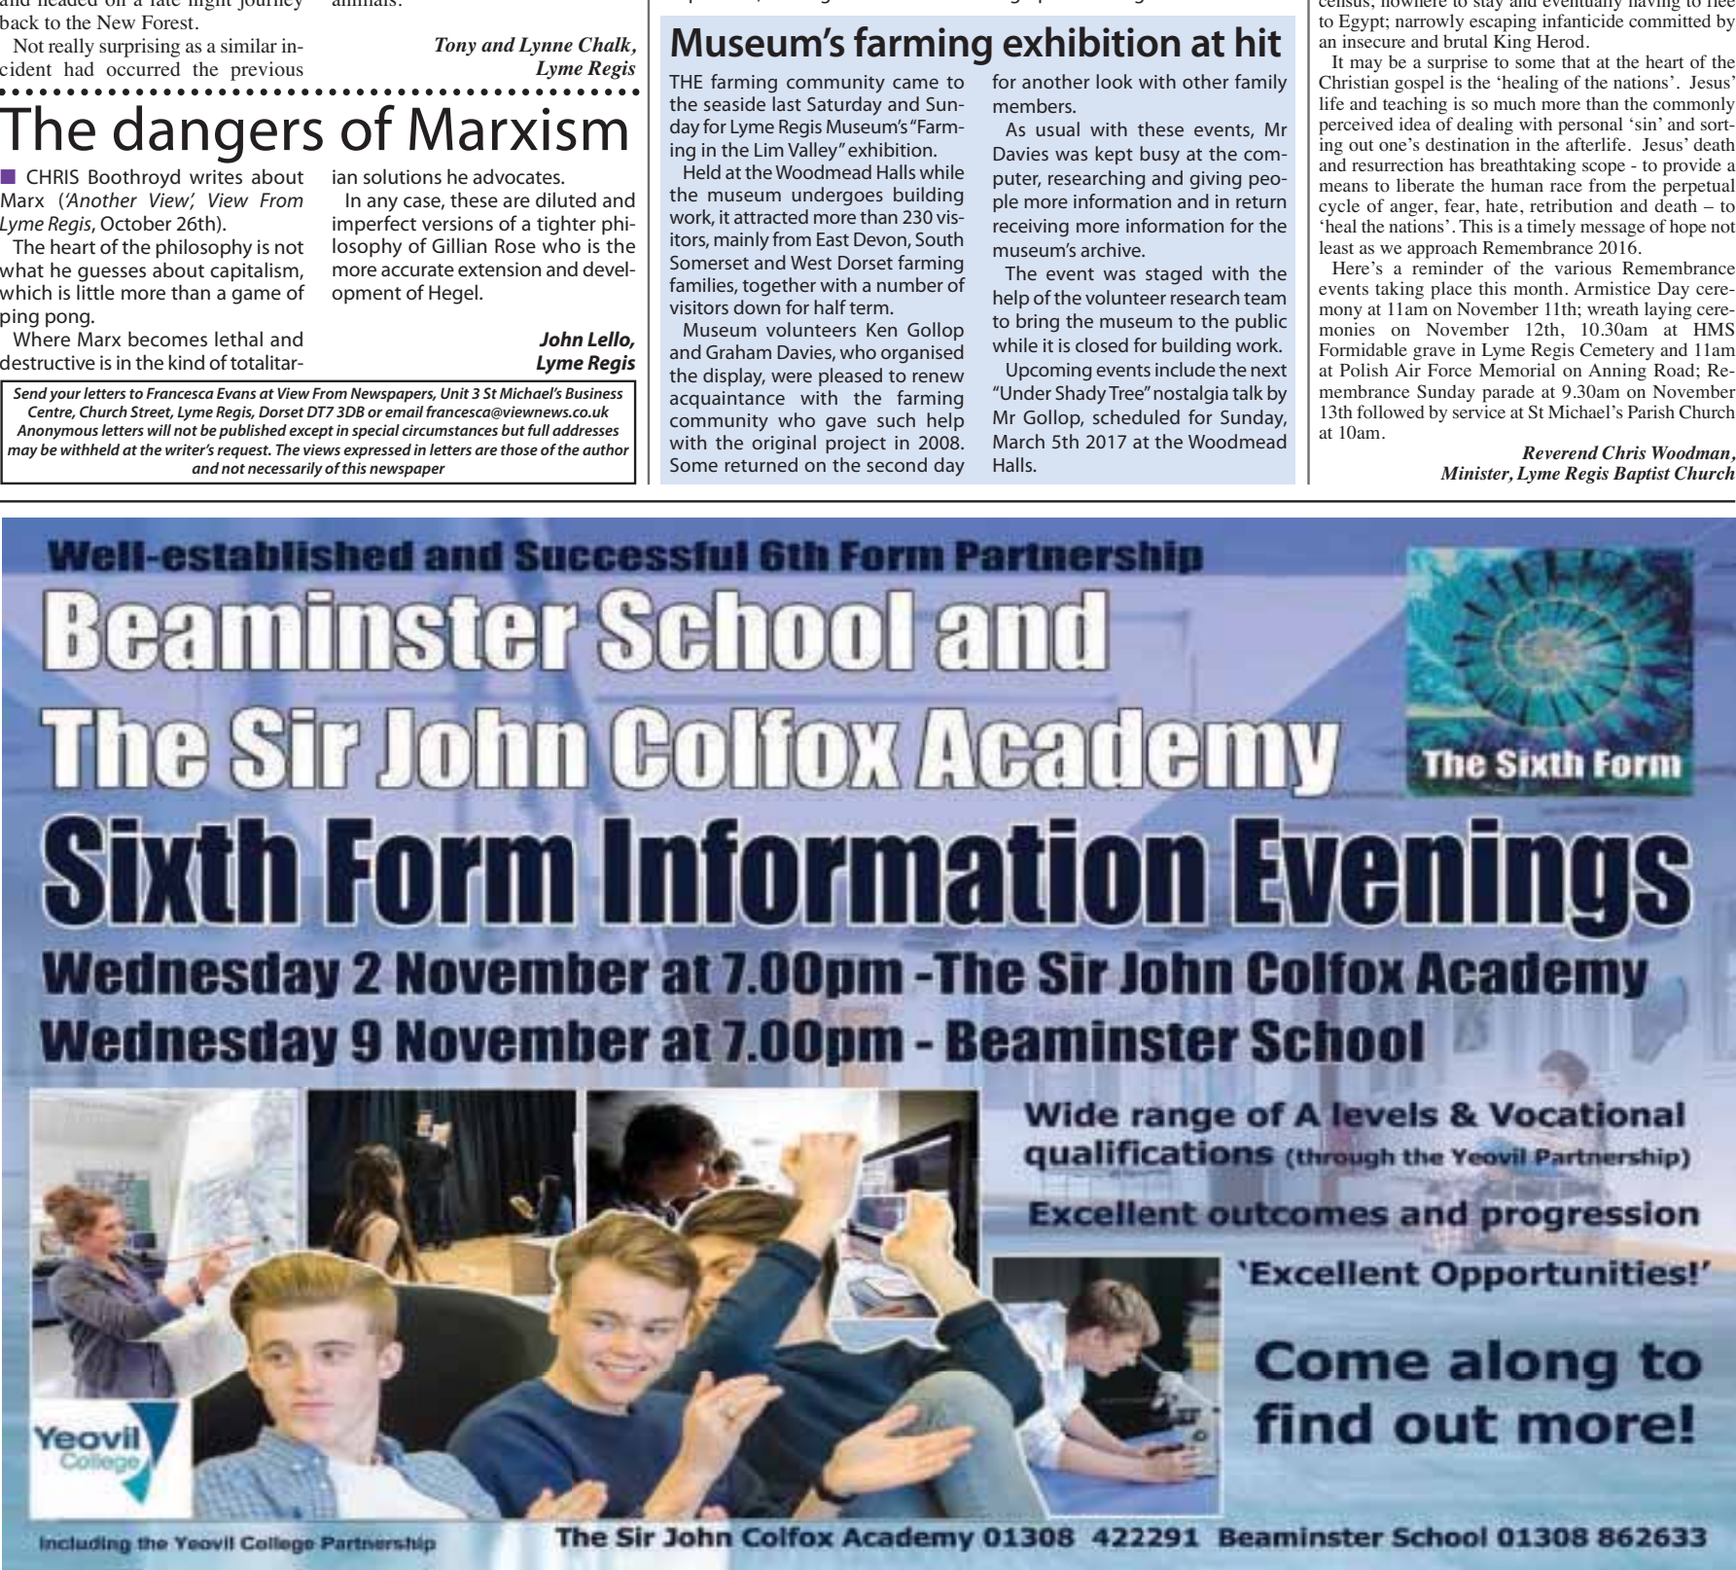

Here I am, decades later, observing nations still at odds with one another. Driven by political or ideological differences (including religion!) resulting in masses of people on the move seeking refuge.

I'm reminded that Christmas is approaching with the story of Joseph, Mary and Jesus. The real Christmas story was fashioned in the crucible of oppression, prejudice and brutal armed conflict. The young couple forced to travel from home by the demands of a Roman census; nowhere to stay and eventually having to flee to Egypt; narrowly escaping infanticide committed by an insecure and brutal King Herod.

It may be a surprise to some that at the heart of the Christian gospel is the 'healing of the nations'. Jesus' life and teaching is so much more than the commonly perceived idea of dealing with personal 'sin' and sorting out one's destination in the afterlife. Jesus' death and resurrection has breathtaking scope - to provide a means to liberate the human race from the perpetual cycle of anger, fear, hate, retribution and death – to 'heal the nations'. This is a timely message of hope not least as we approach Remembrance 2016.

Here's a reminder of the various Remembrance events taking place this month. Armistice Day ceremony at 11am on November 11th; wreath laying ceremonies on November 12th, 10.30am at HMS Formidable grave in Lyme Regis Cemetery and 11am at Polish Air Force Memorial on Anning Road; Remembrance Sunday parade at 9.30am on November 13th followed by service at St Michael's Parish Church at 10am.

Malabar Trading

IT'S AN especially good time to visit Malabar Trading as there have been many new arrivals from India in the past few weeks. There are limited quantities of some items and most of the textiles are not available anywhere else.

There are new throws and bedspreads, subtle Kani work made from finely woven wool and bolder coloured handstitched throws in cotton. There are also new designs in blockprinted cotton bedspreads.

There are also new designs in blockprinted quilts in several sizes, everyone who owns one will never be without one again !

There are kilim cushion covers in autumnal colours and cushion covers in blockprinted linen.

With a view to Christmas do look at the new Japanese handpainted bowls and cups, as well as the handblown glasses and Moroccan bowls.

Very fine cashmere shawls have also arrived along with woollen shawls and alpaca scarves.

There are also lots of new designs in silver jewellery and more of the very soft lamb's leather purses and clutches will be in the shop soon.

More Turkish kilims are expected mid November.

It's worth bearing in mind that the shop has a policy that allows customers to try textiles and kilims in their homes for a limited period of time.

There is a reason why many designers shop at Malabar Trading and that is because so many of the items are unique and carefully chosen for quality and value.

Devon & Dorset Investment Group

THIS month saw the exciting launch of a new monthly networking group in the historic town of Lyme Regis. The Devon and Dorset Investment Group (DDIG) has been set up by local property developers, Isabel Knight and Steve Colley, (www.espritproperty.co.uk) with the aim of creating an environment for meeting, educating, connecting and collaborating with other local people interested in or already involved in property investment and property development.

Isabel (family in Beer and now resident in Seaton) and Steve (home town Plymouth) have recently moved back to Devon after 15 years living in France, building and renovating apartments and chalets in the Alps around Chamonix. The idea for DDIG came about from their desire to meet and collaborate with other local people investing in property in the area, and the recognition that there are few other property networking groups in East Devon and West Dorset.

The monthly DDIG meetings will provide a great networking environment and also the chance for attendees to learn about property investment and property development, exchange ideas and meet and connect with local experts able to help them fulfil their property aspirations. Local Lyme Regis Architectural Consultant Jim Larcombe will co host the meetings, and Lyme Regis Football Club have kindly donated their venue for the meetings.

DDIG meetings will be open to everyone, no matter how much experience or property they have, as long as participants are serious about becoming even more successful and willing to be inspired to take action.

The meetings will take place every third Tuesday of the month and each month there will be specific topics relevant to property investors, including updates on the local property market and guest speakers who will share their expertise in the market. Rest assured there will be no one selling property at the meetings but there will be a chance to meet others and share opportunities in the local area.

The property seminar will begin at 7pm, however drinks and networking will begin from 6pm. If networking is new to you then don't worry, DDIG will make it easy and fun so that you can enjoy the positive effect of being with like-minded people and also benefit from the practical aspect of tapping into advice, expertise and contacts that you wouldn't otherwise be able to get hold of. Who knows you may find that you meet and make new friends!

So, why not come along to the next DDIG meeting at the Football Club in Lyme Regis on 15th November from 6-9pm: add to your existing property investing knowledge and skills, save yourself, time, money and effort by learning from the experts and build up your personal contacts in the property world. We will have Jim and Steve talking about property development, the inspiring Christeun Gartman sharing his story of getting into property with no money in, we will have another update from Peter Opie on finance options (a key subject for every investor) and Isabel will do another piece of work on building your plan for success.

The meeting is free to attend and there will be tea and coffee available and a bar for those who want something stronger.

5 EASY HOME MAKEOVER IDEAS FOR AUTUMN

Take inspiration from our quick tips and tricks to cosy up your home for the new season

Written By Bernadette Fallon • www.goodhousekeeping.co.uk

EVENINGS are drawing in and the weather's turning colder – the perfect time to give your home some TLC. We asked Kate Mooney, CEO at interiors website Houseology.com, for some quick and simple tips for revamping your home.

1. Add Autumn colour and texture: Use cushions, throws and rugs in a neutral colour scheme to add texture and autumnal tones. 'Try a thick weave rug, some fur cushions and a tartan throw to add cosiness without being too overpowering,' Kate advises.

It's a look that works well in a sitting room – and can be applied to bedrooms also. Just choose neutral colours for bedding that work year-round and layer in different textures and tones for the new season.' Blue and white is a great starting point', says Kate, 'then add cashmere and knitted throws in tones of mocha and cappuccino for example'.

2. Create intimate spaces: Team a reading lamp with a cosy armchair, dressed up with cushions and a throw, to create an inviting corner in a living room. You could also use it in a big hallway to create a welcoming feel.

3. Dress up your table for harvest time: Add tones of charcoal and red to your table setting, by mixing some coloured pieces into a basic white crockery set. 'I also like to add some foliage to the table in Autumn,' says Kate. 'You could tie napkins with twine and a sprig of rosemary, or add pots of herbs to the table to create a decorative feature and also allow guests to season their own food!'

4. Choose oversized cushions, a key Autumn trend: Taking inspiration from our Scandi neighbours, scatter a few big cushions on the floor to cosy up the space, or place on the bed for warmth and colour and a cosy alterative to a headboard.

5. Be clever with lighting: Table lamps are the easiest way to update your lighting scheme as the evenings get darker. Update existing lamps with new shades, for an instant makeover on a budget. You could also, explains Kate, mix up inner and outer shades, and opt for a deep orange inner shade to warm up the room without changing your colour scheme.

OUR FATHERS, PARTNERS, BROTHERS AND FRIENDS FACE A HEALTH CRISIS THAT ISN'T BEING TALKED ABOUT. MEN ARE DYING TOO YOUNG. WE CAN'T AFFORD TO STAY SILENT.

THAT'S WHY WE'RE TAKING ACTION!

WE'RE the only charity tackling men's health on a global scale, year round. We're addressing some of the biggest health issues faced by men: prostate cancer, testicular cancer, and mental health and suicide prevention.

We know what works for men, and how to find and fund the most innovative research to have both a global and local impact. We're independent of government funding, so we can challenge the status quo and invest quicker in what works. In 13 years we've funded more than 1,200 men's health projects around the world.

OUR STRATEGY IS ALL ABOUT GOING WHERE MEN NEED US MOST: We know what works for men. We're transforming the way research into men's health is done, and the way health services reach and support men.

We don't take government funding, so we can challenge the status quo and invest quicker in what works.

WE REPORT ON EVERY INITIATIVE WE FUND SO YOU CAN SEE THE EFFECT YOUR DONATIONS ARE HAVING: Thanks to the support of Mo Bros and Mo Sistas we've funded more than 1,200 projects saving and improving the lives of men all around the world. Since 2003, we've committed ourselves to helping men live happier, healthier, longer lives. Millions have joined us.

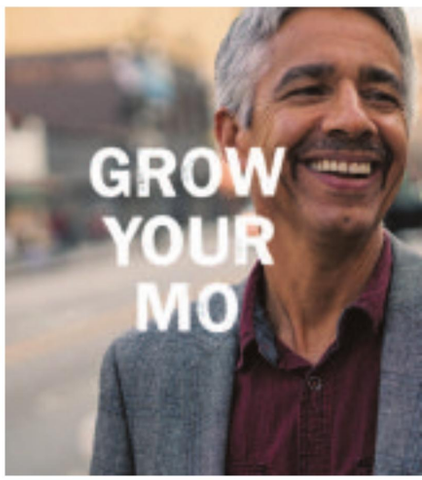

FROM 30 MOUSTACHES TO 5 MILLION, WE COULDN'T HAVE DONE IT WITHOUT YOU: From humble beginnings back in 2003 the Movember movement has grown to be a truly global one, inspiring support from over 5 million Mo Bros and Mo Sistas.

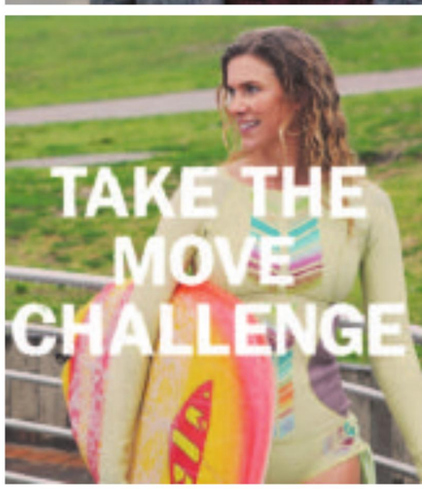

The Movember Foundation wouldn't be where it is without the enthusiasm of all of those men and women around the globe. We're committed to keeping things fresh, keeping the community informed, and always being transparent and accountable in our practices.

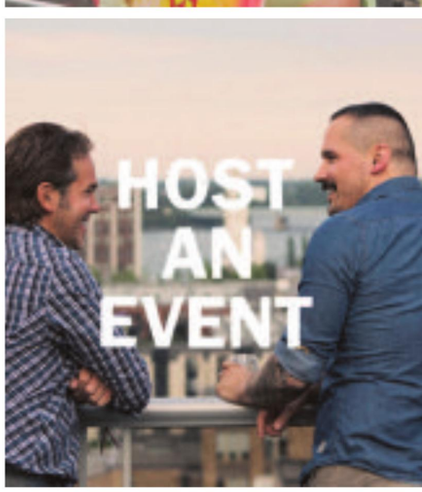

By 2030 we'll reduce the number of men dying prematurely by 25%.

Help us stop men dying too young. Join the movement.

1 IN 4 OF US WILL HAVE A MENTAL HEALTH PROBLEM AT SOME POINT IN OUR LIVES.

WE MO FOR EACH OTHER.

OUR CAUSE: STOP MEN DYING TOO YOUNG

THE state of men's health is in crisis. Men experience worse longer-term health than women and die on average six years earlier. Prostate cancer rates will double in the next 15 years. Testicular cancer rates have already doubled in the last 50. Three quarters of suicides are men. Poor mental health leads to half a million men taking their own life every year. That's one every minute.

OUR FATHERS, PARTNERS, BROTHERS AND FRIENDS ARE FACING THIS HEALTH CRISIS AND IT'S NOT BEING TALKED ABOUT - WE CAN'T AFFORD TO STAY SILENT!

The Movember Foundation is uniquely placed to address the crisis at a global level. We're funding ground-breaking programmes all over the world, engaging with men where they are, to understand what works best, to help make change happen sooner.

Our goals are big, but the impact of doing nothing is bigger. We need to act.

What does this future look like? Half as many men dying from prostate and testicular cancer. Half as many men suffering serious side effects as a result of their treatment. A quarter fewer men dying from suicide.

WE'RE THE ONLY CHARITY TACKLING MEN'S HEALTH ON A GLOBAL SCALE: We're doing what others can't. We bring leading experts together from around the world to collaborate on solutions that will fundamentally change the way men are treated and supported.

We know what works for men. By focusing our efforts in three priority areas we ensure that each programme we fund is a step towards our vision for the future.

THIS IS HOW WE'LL WIN THE FIGHT:

- Give men the facts
- Change behaviour for the better
- Create services that work for men
- Bring the brightest minds together
- Listen to the community and advocate for men

INNOVATING ON A GLOBAL SCALE: We cannot achieve our goals without building a movement with partners at all levels of government, research and civil society. This has to happen globally, with results shared across borders to extend our reach. We're creating innovative solutions, using new ideas and new technology to solve long-standing problems.

Read about our global programmes on our website: uk.movember.com

ENSURING FUNDING GOES WHERE IT'S NEEDED MOST: In addition to global initiatives, we fund a diverse range of country-specific and local programmes, always ensuring that knowledge gained is shared onwards.

We report on all the initiatives we fund to hold ourselves accountable and to ensure that we're always assessing the success of those initiatives, learning, and improving.

TRANSLATING KNOWLEDGE INTO ACTION: We make the most of research findings to accelerate new ideas into practice, share information and encourage other organisations to do the same.

HOW TO GROW A MO

1. BE PREPARED: Before your first follicle appears, decide which moustache will grace your face.

2. BE BRAVE: The first few days, even weeks, can be uncomfortable and a little awkward as your facial fuzz grows and your Mo takes shape.

3. IGNORE THE ITCHING: Remind yourself that men have endured worse in the past; you can stand a little face tickle.

4. SHAPE YOUR MOUSTACHE USING PROPER GROOMING TECHNIQUES: A great Mo comes down to grooming.

5. NURTURE IT AND KEEP IT CLEAN: Look after your Mo, and your Mo will look after you.

#Movember

If you ever needed a reason to take a selfie, this is the time. We know you like showing off those moustaches, and we like seeing them. Use #Movember with all your pics and follow @Movember on Instagram – who knows, maybe you'll see yourself on #MoustacheMonday.

The Soulman

LEIGH Coleman and the Matt Carter Trio will provide a double shot of jazz fused with soul, when they play the Jazz Jurassica night in December at By The Bay, Lyme Regis.

Leigh Coleman is now seen as one of the best and most passionate soul singers around, equally at home with the swing of Sinatra to the "get down" funk of Stevie Wonder. He'll be accompanied by Matt Carter, a young keyboard wizard and bandleader, whose dynamic jazz trio and creative arrangements result in an effortless classy chemistry.

Soulman, Leigh Coleman, who's worked with the legendary soul diva Betty Wright in the States, and Joss Stone, brings a soulful jazzy vibe to Matt Carter's exciting piano combo. You're guaranteed a finger snapping evening of soul-driven jazz you won't forget.

Leigh Coleman is developing a national reputation for combining both jazz and funk in a style reminiscent of Stevie Wonder, Gregory Porter and George Benson. He's played alongside Joss Stone, Beverley Knight and Sandie Shaw as well as at Ronnie Scott's.

Matt Carter is a prolific and versatile young pianist who brings dynamism and drive to jazz standards, soul and blues. Already a twenty-something bandleader in his own right, Matt's developing a national reputation for his Matt Carter Trio. Combined with Leigh on vocals, this remarkably strong bill will deliver soulful jazz classics, all night long.

Leigh Coleman and the Matt Carter Trio play at Jazz Jurassica, By The Bay, Lyme Regis on Saturday, December 10th/ Doors open 6.45pm, supper served 7-8pm, music from 8-10pm. Tickets are £19.95 plus booking fee for the jazz and supper ticket (includes a 2-course supper from the table d'ote menu).

Heron warms up at The Lyric before Japanese migration

IT'S NOT often that a missed opportunity becomes a reality. Having shared the stage with the likes of John Martyn, Status Quo, Edgar Broughton Band and David Bowie, '60s band HERON have had a cult following for many years in countries as far afield as Denmark, Argentina, USA and Japan but has rarely performed outside the UK.

Several years ago a tour was set up in Japan only to be cancelled due to the tsunami that struck so unexpectedly. A further tour was cancelled through ill health and it seemed likely that the chance to play there had gone forever. Hiroshi Kuse, the owner of AirMail Recordings and Heron fan, who released their last two albums Simple as 1,2,3 and Jokerman, then persuaded them to visit Japan this November.

As the other band members - Roy Apps, Tony Pook and GT Moore - all live so far apart and have other commitments, they rarely have the opportunity to develop new songs, let alone rehearse, so it's especially pleasing to know they have decided to get together in Bridport and do a warm up gig at their favourite theatre The Lyric (where the band performed the theatre's opening show to a sold out crowd, in 2011).

Fitting it in before flying to Japan means it will be a midweek performance, on Wednesday, November 2nd at 8:30pm and tickets are £10.

Bridport-based band member Steve Jones says "We're none of us getting any younger and the thought of playing in Tokyo and Kyoto after all these years is like a dream come true."

The original '70s albums *Heron* and *Twice as Nice* will be re-released in Japan to coincide with the tour.

Tickets are £10, available from Bridport Arts Centre: 01308 424204 and BearKat Bistro. Doors and bar open 8pm for a prompt 8:30pm start.

Improv comedy duo are *Wild at Heart*

DEVASTATINGLY original, kitsch, playful and surreal, up-and-coming comedy double act Róisín & Chiara invite you to The Lyric Theatre on Sunday, November 6th for their award-winning show, *Wild At Heart*, a two-woman tour de force told in uncanny synchronicity.

Wild At Heart sees Róisín & Chiara exploring the secrets to success, sexiness and surviving tragedy. Meet Celtic mystics, T4 presenters, singing psychoanalysts and Lord of the Rings-loving Lords and Ladies as they collide and connect in a tapestry of physical storytelling and hilarious observations. Attracting five-star reviews and industry attention, Róisín & Chiara's lightning-paced, rhapsodic storytelling brings to life a plethora of irresistibly well-observed character vignettes unlike anything else on the scene.

The 2015 Edinburgh Fringe marked Róisín & Chiara's debut as a comedy duo and their work in progress earned them five-star plaudits and a feature in Fringe Review. They returned to this summer's Fringe with a polished show which earned them further rave reviews. Come and see what all the fuss is about, on Sunday, November 6th starting 8pm!

Tickets are £10, available from Bridport Arts Centre: 01308 424204 and BearKat Bistro. Doors and bar open 7:30pm for a prompt 8pm start.

Simon and Garfunkel Through the Years

Bookends

ACCOMPANIED by a live string quartet, Bookends perform authentic Simon & Garfunkel covers. Made up of Dan Haynes and Pete Richards, Bookends are 'simply breathtaking'.

Performing the songs against a backdrop of images and video footage, their delicate recreation of the unmistakable sound of the American folk-rock duo is something of a masterpiece.

Hits include The Sound of Silence', 'Mrs Robinson' 'The Boxer' and 'Bridge Over Troubled Water.' Plus early folk gems and music from Simon & Garfunkel's solo careers, the concert is must see for any fan.

Bookends: Simon & Garfunkel Through the Years comes to the Marine Theatre, Lyme Regis on Saturday, November 12th at 8pm.

Catfish Keith brings the Delta Blues to Dorset

CUTTING-EDGE blues singer, songwriter and bottleneck slide guitarist Catfish Keith has established himself as one of the most exciting country blues performers of our time. Catfish's innovative style of foot-stomping, deep Delta Blues and American roots music has spellbound audiences the world over, and on Saturday, November 5th he is coming to Dorchester Arts. He has reinvented the guitar with great power and artistry, and brings a rare beauty and vitality to his music. Handing down the tradition, Catfish continues his lifelong journey as one of the brightest lights in acoustic blues and roots music.

A two-time W. C. Handy Blues Award nominee for Best Acoustic Blues Album, and 2008 inductee into the Blues Hall of Fame, Catfish has fourteen number one independent radio chart-topping albums to his credit, and packs houses all over the world with his dynamic stage show. The 30-year veteran has toured the USA, UK and Europe dozens of times to wide acclaim, headlining major music festivals, and appearing with legends John Lee Hooker, Ray Charles, Robert Cray, Koko Taylor, and many, many others.

Catfish Keith was born in East Chicago, Indiana on February 9th, 1962. He first heard blues as a child while living in "The Harbor", a working-class, steel mill town. When he picked up the guitar as a teenager, he was inspired to pursue the deep delta blues after being converted by Son House. Following high school in Davenport, Iowa, Catfish hit the road, embarking on a lifelong quest as a solo performer of American roots music.

His travels took him to the Caribbean, where in the Virgin Islands he crewed briefly on a sailboat, soaking up a wealth of island sounds. Rhythms of Jazz, Calypso, Reggae and the music of Joseph Spence gave Catfish inspiration to reach new musical heights. Though he grew up on the Mississippi River, Catfish earned his monicker from a West Indian lobster-diving partner who, after seeing him swim, dubbed him 'Catfish-Swimmin'-Around,' and 'Catfish-Steel-Guitar-Man'.

In 1984, at age 22, Catfish recorded his first album (on Kicking Mule), *Catfish Blues*. The all-solo debut established him as a new force in acoustic blues, reaching number one on independent worldwide radio charts.

Since then, Catfish has made a fourteen solo albums, including his latest, *Put on a Buzz* (on Fish Tail). He constantly tours the world, is a major endorser for National Reso-Phonic Guitars, and his music plays on top-rated TV shows in the USA and abroad. He's also become a respected educator as well as performer, doing guitar workshops, master classes and blues in the schools throughout the the world.

Catfish Keith plays at Dorchester Corn Exchange as part of the DA Blues series, on Saturday, November 5th. Doors and bar open 7.30pm, with music from 8pm. Tickets are £13 / £6.50* in advance, £14 / £7* on the door, and Senior Citizen tickets £11 adv / £12 door. *Under 18 or with NUS Card.

Dare Devil Rides To Jarama

New play about the International Brigades and the Spanish Civil Wall to premiere at Dorchester Arts

A new play based on the experiences of The International Brigades during The Spanish civil War; the powerful political and economic forces engulfing 1930s Europe and the reasons why so many ordinary people made the extraordinary choice to leave family and livelihoods and fight in a brutal war so far from home.

Dare Devil Rides To Jarama by Neil Gore, will premiere at Dorchester Arts this Friday, November 4th.

Compelling and humorous, *Dare Devil Rides To Jarama* is centred on the contrasting lives of International Brigaders Clem Beckett and Christopher Caudwell. Beckett, a Lancahire blacksmith and famous star of the speedway track, and Caudwell, a renowned writer, poet and philosopher, were killed together at Jarama in February 1937, having become friends as members of the British Battalion's machine-gun company.

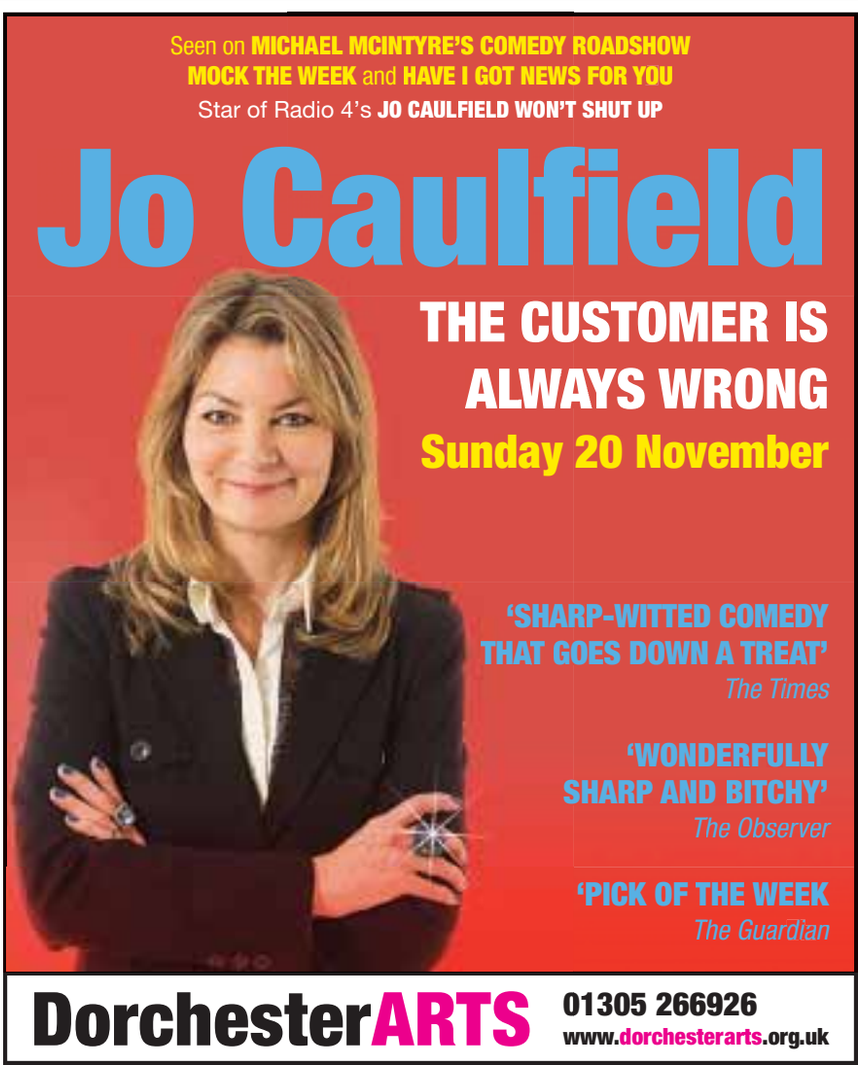

Through their stories, the play will shed light on the political and social world of the 1930s and all that inspired and confronted the Brigaders on their journeys to Spain.

It will capture the raw passions and emotions produced by the Spanish Civil War - idealism to despair, hope to anger, determination to fear - through powerful storytelling, stirring song and poetry, and compelling movement and dance.

Combining Townsend Productions' trademark a cast of three playing multiple roles, grand theatrical style and wit with Spanish and political 1930's songs arranged by acclaimed folk musician John Kirkpatrick and, the production aims to bring the full story of the compelling dispute to life in a powerful and thought-provoking new play.

Tickets for *Dare Devil Rides To Jarama* are priced at £12 (£10 Concs) and can be purchased at the Box Office on 01305 266926 or online at www.dorchesterarts.com

Peafrog Puppetry's tantalising tale is after audience advice

DEEP IN the vaults of an ancient Priory, a monstrous creature awakens… a Cockatrice is born! Knights flee in terror from its deathly gaze. Perhaps the nuns of the Priory will have to face the beast alone…

The Tale of the Cockatrice is Peafrog Puppetry's fun, fascinating journey into truth and legend, monster and myth! Two players spin a yarn straight out of English folklore in this frantic fusion of puppetry, storytelling and live, original music. Inspired by folk tunes and fables, Peafrog Puppetry blends the old and the new in an exciting piece of original theatre for all the family.

Peafrog Puppetry have described their showing at The Lyric on Monday, November 7th as a 'polished scratch performance', so although it will be nearly nearly the finished show, they will still be open to picking audiences' brains after the show! So come and share your thoughts and help shape the direction the finished show takes.

Peafrog Puppetry creates compelling, original theatre with the aid of oddball puppets, live acoustic music and general tomfoolery! Using a range of puppeteering disciplines from Japanese bunraku to marionettes to sock puppets their aim is to create diverse, thoughtful and immensely fun theatre designed for everyone.

The show starts at 7pm, and will last around 45mins to an hour with some time for Q&A afterwards. It's aimed at all ages but particularly 9-10 year olds, though nothing in it is too scary for younger ones!

This performance will be on a 'pay what you can' basis, on the door from 6:30pm.

Breaking the Spell of Loneliness

BREAKING The Spell of Loneliness is a remarkable collaboration between writer George Monbiot and musician Ewan McLennan. They launched their project because they believe that nothing has greater potential to unite and delight than music. They seek to use the music to open up the issue of loneliness, and their performances to help address it.

The project began with an article that the journalist George Monbiot wrote in the Guardian, about the age of loneliness. The article went viral, and several publishers asked him to write books about it. But George had a different idea.

He approached Ewan McLennan – a musician whose work he greatly admired – and proposed a collaboration. Together they would write an album, a mixture of ballads and anthems, some sad, some stirring, whose aim was to try to break the spell that appears to have been cast upon us; the spell of separation. It would touch upon issues as varied as our relationship with nature, our capacity for altruism and co-operation, the politics that lie behind loneliness, and the ways people are together overcoming this social scourge.

Around the time of the album's release George and Ewan will perform a small number of special concerts. George will narrate the show, describe the ideas behind the songs, and encourage members of the audience to engage with each other, both then and beyond the concert. Ewan will sing the songs and perform the music that has emerged from this innovative collaboration.

George Monbiot and Ewan McLennan bring the show to Bridport Arts Centre this Friday, November 4th.

Blues sensation returns to Bridport

Laurence Jones

THE YOUNG gunslinger of the blues Laurence Jones has sensationally signed a deal with Ruf Records. His debut album for the label and second album for Laurence was recorded at the Legendary Dockside Studio in Louisiana where artists such as B.B King and Derek trucks have recorded. A catalogue of big names appear on the album including Walter Trout, Aynsley Lister, Yonrico Scott, Charlie Wooton and producer Mike Zito.

Walter Trout invited the band to support them on his 2013 U.K tour "Laurence is a cross between Eric Clapton & Buddy Guy he is a genius" – Walter Trout.

A Buzz has been building rapidly around Laurence Jones, starting well before the release of his 2012 'Thunder In The Sky'. Since then Laurence has clocked up some serious road miles from touring through out the U.K and Europe.

Laurence Jones and his band come to Bridport Arts Centre on Friday, November 11th at 7.30pm. Tickets are £12.50, available online at www.bridport-arts.com or call 01308 424204.

Young Musician of the Year to play at Dorchester Arts

YOUNG piano prodigy Martin James Bartlett will be performing at Dorchester Arts at the Corn Exchange TONIGHT (Wednesday, November 2nd). Although just 20 years old, he can already boast an illustrious career with highlights including playing at the BBC Proms and performing for the Queen's birthday.

Martin has studied at the Royal College of Music and the Purcell School where he enjoyed considerable success in numerous competitions and festivals. In May 2014, at the age of 17, he was awarded the title of BBC Young Musician. The same year he made his debut at the BBC Proms, performing Gershwin's Rhapsody in Blue with the Ulster Orchestra at the "Last Night" celebrations. Martin was one of the youngest ever BBC Proms soloists.

Martin plays at Dorchester Corn Exchange at 8pm. Tickets are £14, £12 available from www.dorchester-arts.org.uk or by calling 01305 266926.

You'll be Pleased

AFTER cutting his teeth as a clubber at seminal late 80s London clubs such as Taboo, Jon Cooper, AKA Jon Pleased Wimmin, became a regular fixxture DJing at clubs nationwide and overseas, and by the end of the 1990s, Jon had played pretty much everywhere from Ibiza, Buenos Aires, Japan, South America, Australia, South Africa, Singapore and more.

Jon Pleased Wimmin will be on the decks at Bridport Arts Centre on Saturday, November 26th. The night will feature tracks from artists and remixers as diverse as Kiwi, Eats Everything, Late Night Tough Guy, The Magician, Todd Terje and Dimitri From Paris to name a few.

Jon's eclectic taste and encyclopaedic knowledge of pop and dance music make him the perfect candidate for any party that needs an injection of oomph.

Music will start at 8pm. Tickets are £10, available from www.bridport-arts.com, or by calling 01308 424204.

Symonds & Sampson
ESTABLISHED 1858

JEREMY SMITH, Partner of the award winning estate agency Symonds & Sampson LLP in Beaminster, is seen here being presented with a lovely hamper by Mr. George Bannister who recently sold his property through Jeremy's office.

George commented 'I have recently both sold and purchased through Symonds & Sampson and I must say I was very impressed with the service provided by not only Jeremy but all of his colleagues and I hope very much that I can deal with them again in the future'.

Jeremy commented 'I am thrilled that Mr. Bannister was so pleased with the service provided. We do make every effort to sell all our clients properties and indeed according to Rightmove we have currently sold over four times as many properties year to date as our nearest competitor.' If you are considering selling or are on the market without success, why not contact us on 01308 863100 for your free valuation.

SYMONDS & SAMPSON REWARDED WITH AWARDS

AT A GLITTERING dinner at The Marriott Hotel London the cream of the property industry gathered for The International Property Awards and Symonds & Sampson were well represented to see whether they could win for the fourth year running.

Partner Jeremy Smith was impressed with the event "It was a very smart affair with people from all over the UK all jostling for the top awards so it was a very proud moment when Symonds & Sampson's name was called out for two awards.

"The first was for best marketing mainly for our annual magazine Country Matters but also for the theme that we ran for the whole of 2016. This was about dogs and anyone who follows our campaigns would have noticed that on the front of every monthly auction cover, all of our property reviews and throughout the website a dog belonging to a member of staff was featured.

"We now go forward to the International awards, which we won in 2015, and we are hoping we can make many of our worldwide competitors take notice, again, of our firm"

Symonds & Sampson also won the 'Best letting agency in Dorset' and Trudi Gumbrell accepted the award for the firm "I am a great believer in the phrase

'Recognition is the greatest motivator' and winning this is an amazing boost for us. We have made radical changes to the lettings department this year and our clients have been very pleased with the streamlining that allows the managers to concentrate on our core business following the setting up of a central property management department."

The awards season does not stop there, however, with three more London dinners to look forward to. Jeremy is not sure he will be able to fit into his dinner jacket if he goes to all of them!

To find out how our award winning firm can help you please contact your nearest office or Mark Lewis 01258 473766

Renault ZOE arrives in the UK with 250 mile range

RENAULT UK is announcing pricing and specification for the 2017 model year Renault ZOE that was recently unveiled at the Paris Motor Show, complete with the new Z.E.40 battery that has a 250 mile (NEDC) range – the longest range of any mainstream electric vehicle. A new top-of-the-range Signature Nav trim level has been added to the ZOE line-up for the 2017 model year which goes on sale today and will arrive in UK showrooms from January 2017.

With a 250 mile (NEDC) range, ZOE offers the best range of any mainstream electric vehicle. In real-world driving, Renault estimates the ZOE fitted with the new Z.E.40 battery has a real-world range of between 186 miles in temperate conditions and 124 miles in extreme cold conditions.

ZOE is now offered with a choice of two batteries – the new Z.E.40 battery and the existing 22kW battery. The entry level Expression version comes with the 22kW battery whilst Dynamique Nav and above are offered with the new Z.E.40 battery enabling owners to choose a ZOE that suits their individual requirements. The Z.E.40 battery is available with an optional Quick Charge facility that reduces charging times even further. All ZOEs sold to private customers are supplied with a fully-installed 7kW fast-charging box that enables convenient charging at home.

The updated ZOE is being expanded to a five-version line-up based on three trim levels familiar to owners of other Renault vehicles – Expression, Dynamique Nav and the new top-of-the-range Signature Nav. ZOE remains available to purchase with a monthly battery lease agreement or outright with no battery lease agreement.

The Expression trim level provides buyers with a comprehensive specification with a 7-inch touchscreen housing Renault's easy-to-use R-Link2 infotainment system with TomTom® satellite navigation; climate control, electric windows and electric heated mirrors, cruise control, speed limiter, keycard, Bluetooth connectivity and ample storage throughout the cabin.

Renault's Range OptimiZer technology ensures ZOE is highly efficient with its heat pump, a bi-modal braking system and Michelin ENERGY E-V tyres. ZOE's Chameleon Charger™ ensures that ZOE adapts and always charges from a source at the highest rate possible, thus lowering charge times.

Renault's Z.E. Connect app allows drivers to remotely monitor battery levels and charging status via their smartphone or computer. The ZOE Expression is available with the R90 22kW battery enabling a range of 149 miles (NEDC) and a charging time of 3 to 4 hours (0 to 80 per cent full).

ZOE keeps occupants safe with a five-star Euro NCAP rating and standard safety features such as ESC with traction and understeer control, Hill Start Assist and front and side driver and passenger airbags.

The ZOE Dynamique Nav adds to the Expression specification with a hands free keycard, automatic lights and wipers, rear parking sensors, rear electric windows and electrically operated, heated and folding door mirrors, 16-inch 'Black Shadow' alloy wheels and a leather steering wheel and gear lever. In addition to the Z.E. Connect app, the Dynamique Nav benefits from a one-year subscription to the Z.E. Interactive app. Via a smartphone or computer this allows you to remotely charge your ZOE and schedule charges, as well as cabin temperature pre-conditioning, in order to maximise convenience and take advantage of available off-peak electricity rates.

The ZOE has been awarded the title of What Car?'s 'Best Electric Car under £20,000' for the last three consecutive years and was recently named 'Best Supermini' in the Auto Express Driver Power 2016 survey, coming second overall out of 183 vehicles. ZOE was named a Which? 'Best Buy' in August 2016.

Perfect 10! Charmouth hit goal trail

Beaminster still unbeaten - Pymore go top - Lyme Rovers hit by Farway fightback - Hounds in semi

Exwick Village 3
Lyme Regis Reserves 1
Devon & Exeter League D6

SOME indifferent defending cost Lyme Regis Reserves dearly as their impressive six-game winning run came to an end.

"They (Exwick) had three attacks in the first half and scored each time following mistakes by us, whereas we had plenty of possession but only mustered a couple of half chances," said Lyme manager Gerard Hitchcock.

As early as the second minute centre back Wallace Blackmore uncharacteristically missed a challenge and the hosts took the lead with a low bobbling shot that dribbled over the line.

It was 2-0 in the 20th minute when a misplaced pass from skipper Alex Rowe was pounced on.

The resulting cross zipped across the six yard line and was bundled home with Lyme keeper Rob Thom adament that the Exwick striker had handled: "To be fair there was no way the ref could have seen it," said Hitchcock.

Worse was to follow as three Lyme defenders missed challenges and another poked shot bobbled over the line via the inside of the far post.

The Seasiders pulled one back in the 75th minutes when striker Ryan Fifer spotted the home keeper off his line and curled home a superb 25-yarder.

And they should have snatched a point but failed to take any of half a dozen clear cut chances in the closing minutes.

PERRY STREET LEAGUE
DIVISION ONE CUP QF
WAYTOWN HOUNDS 3 UPLYME 0

GOALS from Jon Legg (2) and Adam Cody-Boutcher saw Waytown Hounds set up a cup semi-final at Forton Rangers.

Legg was thrwarted by a fine on-on-one save by keeper Marcus Bearpark early on. But Boutcher opened the scoring soon after.

Legg made it 2-0 after good work from Sam Dowle but the Hounds were also indebted to a couple of fine saves from keeper Lee Cuff.

The scoring was completed when San Rawlings' free-kick came back off the post and Legg tucked it away.

Afterwards Hounds' manager Joe Carter said: "I was delighted with the whole team. The attitude, commitment and effort were superb and we got our just rewards. Both Full backs, Leigh Hansford and Lee Quincey performed very well, with Dan Rawlings and Tom Knott solid at the back."

Uplyme joint-manager Jon Matthews told *View Sport:* We played well at times and showed what we were capable of, but just didn't do it enough.

"Both goals were really avoidable. Steve Batey had a effort ruled for offside with 20 minutes left – which we felt was a really tight call. If that had stood, I think it would have kick started our game.

"Unfortunately they scored not long after to make it 3-0 and the game was gone."

Semi-Final draw;
Forton Rangers v Waytown Hounds, Hawkchurch Utd v Merriott Rovers.

◆ GOAL: Adam Cody-Boutcher

PREMIER
BEAMINSTER 2 CHARD UTD 0

DEPLETED Beaminster, shorn of five regulars, still proved too strong for Chard United who are still to register their first league win of the season.

Shane Evans fired the Rainbows ahead early on but they were guilty of missing a host of good chances and had just the solitary goal to show for their efforts at the break.

Robin Jones added number two and the result was done and dusted.

With manager Gordy Childs unavailable, Adam Herring was in the dug out for the hosts and he picked out the midfield trio of Josh Baker, Jamie McClements and Ash Walkey as the top performers.

COMBE RESERVES 1 BARRINGTON 4

BARRINGTON remain in contact with the early season pacesetters with a workmanlike win at Slades Cross.

"We weren't at our best, I had to make five changes after picking up some injuries in last week's cup win, but we got the points," said manager Sid Brown.

Combe went close to scoring early on but stand-in keeper Sam Spurway made a great one-on-one save.

A Guy Dare strike had the visitors ahead at half time. And Dare struck again after the turnaround following good work from Mike Whitefield who netted the third himself.

Spurway then conceded a penalty which Josh Manley converted to gave Combe hope, but George Hayward rounded off the scoring at the other end.

SHEPTON BEAUCHAMP 3 MISTERTON 0

A GOOD team performance saw Shepton Beauchamp leapfrog over visitors Misterton and up into fourth spot.

The returning Charlie Rutter got on the end of a George Pugson cross to put the Old Monsters ahead.

They should have added more before the interval but had to wait until the second period when the in-form Brad Pitman bagged a brace.

SOUTH PETHERTON 6 DRIMPTON 0

"WE could, and should, have had double the goals," said South Petherton manager Karl Diment.

As it was the Magpies had the game won by half-time thanks to goals from Ash Smith, Dean Smith, Ryan Thurgood and Dan Kadir.

Ash Smith and Kadir added to the tally after the interval.

Diment also confirmed that Tom Case and Danny Rendell had signed dual registrations with Glastonbury, but would only play when Pethy had no game.

W & M CHINNOCK 3 NETHERBURY 0

NETHERBURY were made to pay dearly for a mad 15 minute spell midway through the first half as their search for a point continues.

With injuries and unavailabilities a number of younger players were given the chance to start and more then held their own in the first 20 minutes with Charlie Morgan and Luke Ward-Jones having a good opening spell.

However the hosts grew into the game and keeper Arthur Gay was called upon to make two fine one-on-saves when The Chinns broke down the slope.

The hosts went 1-0 up oin 22nd minute after a corner was not cleared and palyer-manager Dan Harvey poked the ball home through a series of bodies.

For the next 15 minutes the Ambers lost their shape and heads. With Chinnock buoyed by the goal they attacked well down the flanks and Gay was called upon to make two more great saves.

The lead was doubled when a cross from the right was headed in by the unmarked George Pitman. Soon it was 3-0. Some missed tackles allowing Liam Bennett to finish well.

Going down the slop in the second half Netherbury had the hosts under some pressure in the final third on a couple of occasions.

Ash Carter went on a fine solo run, but his final shot was well blocked. Steve Combes produced what would have been the goal of the season when his half volley from 35 yards was tipped onto the crossbar.

At the other end Gay was still called upon to make two more top saves to keep the score down and it finished 3-0.

Netherbury Joint Manager James Sayers said: "We were in the game until they scored and then perhaps we showed some inexperience and that 15 minute spell was too much for us to come back from.

"We had a young team and I hope they will benefit from this experience in the long run".

He picked out Gay along with Ryan Kingston and the returning Lloyd Wakely for their performances.

DIVISION ONE
HAWKCHURCH UTD 8 S PETHERTON RES 1

FORMER Beer Albion striker James Melville took his tally for the Hawks up to 20 in just six matches with a double hat-trick as South Petherton's tough season continued.

Simon Herrod and Jack Larcombe also found the net for the hosts with Dan Goodson on target for Pethy.

PYMORE 2 SHEPTON BEAU RES 0

PYMORE moved to the top of the table despite still having personnel problems. "We've yet to be able to pick from our full squad," said Pymore's Matt Tither.

Tither had a hand in the opening goal when his corner was headed home by Liam Proctor.

Terry Crocker equalised midway through the second half but it was Procter who bagged the winner ten minutes later following a surging run from Mick Gilmore.

DIVISION TWO
CHARD UTD RESERVES 0 CHARMOUTH 10

A LIGHTENING start from the Robins had the game as good as won inside the first five minutes at Jocelyn Park.

In that time the visitors had struck three times and went on to ease into a 6-0 lead at half time.

And Chard's woes continued after the interval as Charmouth racked up their biggest win for 13 seasons.

Paul Miners and Dan Rumsby both claimed hat-tricks with Brin Seward (2), Jake Reeve and Bill Ward grabbing the others.

"Chard were never in it, we dominated for the entire 90 minutes, I'm really proud of how the team performed," said Charmouth manager Kevin Pratt.

DIVISION THREE
FARWAY UTD RES 4 LYME REGIS ROVERS 3

A LACK of concentration in the final quarter of the match saw Lyme Rovers let slip a 3-0 lead at Eastlee Park.

The Seasiders sailed into the lead in the 2nd minute when Ryan Turner's inch perfect through ball found the free-scoring Pete Peacock who slotted past stunned keeper Josh Allen.

The second goal came from the penalty spot in the 18th minute when referee Steve Loud spotted a handball in the area and Peacock did the rest.

And it got better for Lyme. Rhys Evans, back after a five-month stint coaching in California, burst down the right flank and struck an early angled shot that skipped across Allen and into the far corner.

But the fight back began in the 22nd minute when Lyme skipper Jedd Whittington was adjudged to have pushed an opponent and Tim Herrod slotted the resulting penalty past keeper Ben Croad.

At the other end Evans went close with a free kick, but Farway were soon right back in it when Paul Salmon rode a rash challenge from Croad and knocked the ball into the empty net.

Lyme responded and Peacock was narrowly wide with a near post volley from a corner and Jack Turner had a shot saved by the feet of Allen.

Farway went close to equalising just before the interval but Croad did well at full stretch to beat out a free kick.

The second half was fairly even as the heavy surface began to take it's toll. Whittington was inches over with an audacious chip from 40 yards on the hour mark, and was then unlucky with a header that bounced just wide.

It appeared as though Lyme might just hang on but in the end they were beaten by two scrambled efforts in the last seven minutes.

A disappointed Lyme manager Terry White can at least be encouraged by a fine performance from the improving Jamie Williams in a back four containing Jamie Quarrington, Jim Larcombe and Robbie Fowler who looked solid for 70 minutes.

UPLYME RES 6 CHARD UTD ALL STARS 0

UPLYME bounced back from an indifferent spell with a 6-0 hammering of struggling Chard Utd All Stars.

They took the lead when Frank Harris netted after Hakim Bibb had been denied.

James Souter-Phillips then went close with a header that struck the crossbar but it wasn't long before an OG made it 2-0 at half time.

The home pressure continued after the interval and MoM Souter-Phillips struck the woodwork again before Lorcan Hankin added number three.

Souter-Phillips finally got on the score sheet with a fine finish from a tight angle having squandered a couple of far easier chances.

Birthday boy James Whetlor made it 5-0 from the penalty spot and Jonnie Harris added number six.

West Dorset strike Gold

Camourne SoM West Dorset 3

AFTER the mammoth round-trip down to deepest Cornwal to take on the Cambourne School of Mines, West Dorset were given the perfect start when Matt Stone picked up a ball hit into the D and instinctively swept the ball into the goal.

The hosts responded with a quick break and some weak West Dorset defending allowed them to level the score.

But West Dorset regained the lead before half-time when a short corner found Rick Steele]who drilled the ball home.

After half time C S.o.M won a short corner which converted but then dubiously disallowed. By now the decisions were taking there toll on some of the youthful opposition who where questioning the umpires only to gain themselves a five minute break!

C S.o.M. played hard but some of their tackling was agricultural to say the least giving the West Dorset sticks a lot of abuse, whilst the umpires didn't stamp it out it did gain another youngster a five minute breather.

Both teams slugged it out to the final whistle with Alex Davies managing to score a 3rd goal to make it a convincing win for West Dorset and putting them 4th in the league

The team head off to face Plymouth University next Saturday.

Hawks all at sea

West Dorset Hawks A 1 Chard B 3

THE Hawks suffered their first defeat of the season to a well-organised Chard B side, assisted by questionable substitutions made by the home team captain.

From the start, Chard started the stronger and literately set up camp in the Hawks' half.

The Hawks starting back four of Henry Middleton, Giles Maltby, Rob Clarke and Krystian Dubas were kept under constant pressure by continuous waves of attack from the visitors during the opening 10 minutes.

But the defence, supported well by the midfield of Simone Wakely, Jules Lawrence and Ollie Gargrave, held strong and limited Chard to a handful of half chances on goal.

Against the run of play, Hawks then took an unlikely when Richard Wilson pushed the short corner to Middleton, who teed up John Kellas to fire an unstoppable shot into the bottom corner.

But Hawks discipline waned under the constant attacking threat, and a rash challenge saw Jayson Perfect receive his first green card in only his third match.

Defensive matters were not made any easier by Hawks Captain, Alex Drew. Making use of a rare substitute, Drew's rotation policy left players defensively disorientated.

After the interval Chard eventually broke their deadlock after a number efforts on goal. Their first goal could be considered fortunate as a potential stick tackle went unseen by the umpires, leaving the ball to be drilled home after a scrappy play in the scoring D from both teams.

Chard's second was a schoolboy error from goalkeeper Drew. Believing the near post was covered he let a fiercely hit shot from an acute angle slip between pad and post.

Chard found their 3rd goal following another disastrous substitution call by Drew.

Instructing Lee Connolly to swap with left back Middleton at what seemed to be an appropriate time, Chard counter attacked and their right winger ran unopposed into the D before hitting an early shot that found the far post.

A competitive game threatened to boil over at times, and Hawks' frustration resulted in another green card for Dubas, and a yellow for Clarke following a harsh decision from the umpire after Clarke's perfectly timed tackle.

The defeat sees the Hawks slip to 4th in the table ahead of Saturday's visit by third-placed Tiverton.

Team: *Alex Drew (Capt), Henry Middleton, Krystian Dubas, Giles Maltby, Rob Clarke, Ollie Gargrave, Lee Connolly, Jayson Perfect, Richard Wilson, John Kellas, Simon Wakely, Jules Lawrence.*

A view on the Bees

Fricker off as tempers flare

Bridport 0 Melksham Town 1

Toolstation Premier – att; 118

AFTER three wins on the spin, Bridport's promising run came to an end in a bad-tempered 1-0 defeat at St Mary's on Saturday.

After a fairly low-key opening quarter the match suddenly exploded when referee Richard Lawrence appeared to intend to caution Braeden Symes for what he deemed a foul, but then proceeded to produce a red-card. This led to heated protestations by the Bees and the official eventually switched this to a yellow.

Symes went close to breaking the deadlock early in the second-half with a free-kick that just cleared the visitors' crossbar.

Play then switched to the other end and Bridport keeper Jason Hutchings was called upon to make series of fine saves.

Then centre-back Leigh Bailey came to the Bees rescue with a goal line clearance only for Lee Davidson to bundle the rebound over the line.

Bailey was booked for a foul soon after – an incident that led to Bridport manager Adam Fricker being sent to the stands for his comments to referee Lawrence.

The visitors went close to increasing their lead in final minutes with a couple of headers just over the crossbar and Bailey clearing from under his own crossbar once again.

Bridport were in action last night (Tuesday) with a Dorset Senior Cup quarter-final at SWANAGE & HERSTON when Fricker confirmed he would be resting Ed Butcher and Dan Peach and possibly Mark Salter.

This is followed by Saturday's visit to third from bottom BITTON who are on a miserable run of four straight defeats.

Bridport: *Jason Hutchings, Leigh Bailey, Andy Martin, Louis Rutter, Alan Hill, Ryan Hayter, Ben Haines (Elliot Mann 82), Dan Peach, Mark Salter, Braeden Symes, Ed Butcher. Unused subs: Gary Bulman, Adam Barratt, Will Spurway.*

Dorset Premier League

BRIDPORT Reserves winless run was extended to four games with a 3-0 defeat against Westland Sports at Alvington on Saturday.

Next upfor the Bees' second string, now with just one win in nine outings, is Saturday's trip to face fourth-placed Hamworthy United Reserves on the new 3G pitch at County FA headquarters.

Dorset Division Four

THE Swanage RBL and Bridport 3rd team's joined the other Bridpoort team's in observing a minute's silence in memory of long time Bridport supporter Max Dare who had died during week.

When play got underway the unbeaten home side bossed the game with a level of maturity and experience that the young Bees and they duly took the lead through Darren Bennett.

But Bridport rallied well soon drew level with a header from Jaydon Scadding.

Back came the Swans and the Bennett struck again with Carl white also on target as they led 3-1 at the interval.

The next goal was to prove crucial and it went to Bridport as Brandon Scadding made it 3-2 before a superb Rhys Williams free-kick square things up at 3-3.

The winner came deep into stoppage time when Ali Kamara got on the end of a fine cross.

The leaves Bridport, now back up in third spot, as the lone unbeaten side in the Division ahead of Saturday's trip to face Crossways Spitfires.

Stableford goes down to the wire

WATCHING the results of the OCTOBER STABLEFORD, DIVISION One was gripping, as early leader Jon Ebdon posted 36 points in favourable conditions. Results came and went and it was not until Jim Allan's 36, with a better back nine of 18 points, that the lead changed.

Late starter and eventual winner, Simon Brown, scored 19 points on the back nine in his 36 points a worthy winner on countback as all three finished on 36.

Although closer, there was no doubting the DIVISION TWO winner, as an in-form Rob Crabbe scored eight points on the last two holes to card the best score of the day with 40 points, despite a slight dip in form in the middle of the round.

This excellent score was almost matched by John Cleal who only fell one point short on 39, while Michael Gill's 38 secured 3rd.

In the Ladies' OCTOBER STABLEFORD Cyndy Mudford had her second win in a week, as she finished top of DIVISION ONE with 34 points, courtesy of a brilliant back nine which pushed Rosemary Shepherd into second place on countback. Jean Jolley finished 3rd with 31 points.

It was also a close run thing in DIVISION TWO as Lesley Jelleyman's superior back nine won it on countback from Mary Golding, both with 31 points as Kate Helm secured 3rd with 29 points.

The JUNIOR STABLEFORD saw a first win for Mannie Wellman as he scored consistently well to finish better than par and win with 37 points from junior captain Lewis Gibbons 35 points and Ben Prosser 3rd on 33.

◆ **MISSION ACCOMPLISHED:** Football fan James Bennett completed 'The 92' last Saturday.

James, from Lyme Regis, attended the Preston North End v Newcastle Utd match at Deepdale to complete the full set of visits to all 92 current league grounds.

"In fact I've been to 129 grounds where league football has been played," said James whose very first ground was Bristol City's Ashton Gate.

When pushed for his 'best and worst' James selected Villa Park (Aston Villa), Hillsboro (Sheffield Wednesday) and Valley Parade (Bradford City) as his favourites, closely followed by Molineux (Wolves) and The City Ground (Nottingham Forest). On the flip side he won't be rushing back to Doncaster Rovers, Colchester United or Scunthorpe Rovers - "They're all boring newish grounds located away from the town centres."

Next up for James, who still plays turns out for Lyme Regis FC are the Scottish League grounds and more English Non-League.

Lyme Regis Sailing Club

Club members carry on tradition

THE **Prescott Trophy**, traditionally sailed in fancy dress and the last race of the main sailing season, was held on Sunday in conditions that race officer Pete Thomas described as 'enjoyable if not exciting.'

A line-up of crews in various outfits over their sailing gear was followed by the 16 competitors drifting out to the start, but after the first series race, the Prescott Trophy benefited from a breeze which kept the fleet moving steadily.

Sunshine and warm temperatures are unusual for this stage of the season, and the first four on handicap finished within a minute of each other after an hour long race.

Jerry Rook and Helen Bruno had a 20 second lead over Colin Walters and Simon Law.

The first nine boats completed the race within five minutes of search other.

The winter season continues for a handful of keen racers until Christmas.

The Youth Section prize giving takes place next Saturday before the town fireworks.

Bridport mourns death of Max Dare

BRIDPORT Ladies B team continued their great start to the season in the County League, picking up maximum points at home against East Dorset B, winning 48-25 overall.

Captain Barbara Jenkins led the way with Sylvia Fletcher, Joan Higman and Anne Parkins 29-11 up, backed up by Lyn Sandall, Rosie Wilton, Joan Griffiths and Jenny Harding who won 19-14.

Frances Hewett, Laura Taylor, Gill Hunt and Pat Cornick picked up two points for the A team with a 21-18 win at Wellworthy who collected the extra four points for an overall win as Pamela Daters, Lyn Craddock, Margaret Pestelle and Sue Walsh lost 14-24.

Martin Wilton, Keith Brooks and Brian Rumble had a fine 25-10 win for two points in the Purbeck Trophy League against Bournemouth, Bridport again missing out on the extra points for overall win as Dave Roberts, Bob Taylor and Ivor Parker were surprisingly beaten 10-27.

Bridport's A and B sides both made winning starts in the Dorset over 60s league, picking up maximum points against the Dorset Bowls Resort.

For the A team Brian Legg, Peter Sandall and Mike Craddock destroyed their opponents 30-12, Tony Bartlett, Mel Hargett and Keith Jenkins scored a late six count to win 21-19.

Brian Baker, Bob Hill and Mike Fletcher won 19-8 for the B team, Barry Mapson, Mel Griffiths and Phil Hedges 16-14 winners.

Popular figure lost

Sadly Bridport's **Max Dare** has lost his battle against Motor Nurone Disease and died on October 25th.

Max was one of the town's best known characters and was a member of both the Indoor and Outdoor Bowling Clubs and a great supporter of the town's football club.

Spokesperson Brian Baker said: "Max played over a 100 times for the County team over the past three decades and he was looking forward to playing in the County over 60s league, so perhaps it was fitting that both sides won their first match.

"Max may be gone but he will never be forgotten by those who the pleasure to know him."

Gig Rowing

Inaugural Jurassic Juniors Regatta a huge success

LYME Regis Gig Club recently hosted the first ever junior rowing regatta on the Jurassic coast.

Mainly involving under 14s crews, the Jurassic Juniors Regatta took place in cool autumn sunshine from the main beach then heading east towards Charmouth.

The format followed a 'barbarians' style where rowers from different clubs were mixed up. This gives the youth rowers a chance to meet and row with others from outside their own club. It also requires great concentration as they need to adjust to stroke type and timing with different rowers.

A total of 60 competitors came from across the Jurassic coast gig clubs including Bridport, Weymouth, Portland, Swanage and Lyme Regis plus rowers from Langstone Cutters in Portsmouth.

Crews rowed in Lyme's own gigs of Black Ven, Tempest and Rebel. The morning was made up of three heats of three boats in each heat.

After a short lunch break the mornings 3rd place boats raced, followed by the runners-up and the final was made up of the winners from each of the morning heats.

Close final race

The final was a tight race for the first few minutes but slowly Rebel and Tempest pulled clear of Black Ven.

These two were neck and neck but gradually the Tempest crew showed better discipline in keeping perfect timing with each other to gradually pull away to cross the line in first place and the first Jurassic Juniors Champions.

The winning crew were made up of Tallulah and Guy (from Weymouth), Oli and Josh (from Bridport) and Lyme's own Seb and Gracie.

A LRGC spokeman said: "A huge thanks must go to Kerry Maguire for organising the event along with Diana Dixon, Henry Barlow and many others who helped make the day a huge success.

"The club would also like to thank the Harbour Master, the club sponsors, Lyme Regis Town Council and all the clubs who took part. Hopefully 2017 will see the growth of the Jurassic Juniors Series as a key event in the gig rowing calendar."

Charmouth end 16 year wait in goal feast

by Howard Larcombe
email: howard@viewnews.co.uk
@howardlarcombe

CHARMOUTH took the local football plaudits at the weekend with their first double figure goal haul since Ben Brook (4), Danny Parr, Jon Whetlor, Darren Poole, Nick Butler, Nick Bown and an OG led to a 10-0 win over Misterton back in January 2004.

Paul Miners and Dan Rumsby both struck hat-tricks as The Robins thrashed struggling Chard United Reserves10-0 in the Perry Street League Division Two clash at Jocelyn Park.

Charmouth now turn their attention the Dorset Junior Cup and Saturday's visit by current Dorset League Division Two leaders Allendale Reserves.

Up in the Devon & Exeter League LYME REGIS were without a Division One fixture. The Seasiders return to action at the weekend with Saturday's trip to bottom-of-the-table Bickleigh (2,15pm ko, EX16 8RJ).

Meanwhile, Lyme Regis Reserves will be looking to bounce back from a poor defensive display as their six-game winning run came to an end with a 3-1 reverse at Exwick Village.

Ryan Fifer scored the second-half consolation for the Ressies who slip to fourth in the Division Six table ahead of Saturday's trip to take on Tivvy Park Rangers.

There was a mixed bag from the Lyme Rovers who led 3-0 through goals from Pete Peacock (2) and the returning Rhys Evans inside 20 minutes in their PSDL Division Three match at Farway Utd Reserves.

But the hosts struck twice in the last seven minutes to snatch the win 4-3.

The Lyme third string are in action at the Davey Fort on Saturday with the visit of Chard Rangers Reserves (2.30pm ko).

Over the county border there were mixed fortunes for the UPLYME teams. A 3-0 defeat at Waytown Hounds saw the first team miss out on a Division One Cup semi-final.

The Swallows face another tough test on Saturday when they visit Forton Rangers in the PSDL Division One looking to halt a run of three consecutive defeats.

There was better news from the Uplyme Reserves who dimmed the lowly Chard Utd All Stars 6-0 to move back up to second in the Division Three table. The Uplyme second-string welcome a Fivehead side who overturned a 4-0 deficit to win the reverse fixture 6-4 last month.
